Smith, John Betancourt, 2022 Earthmen are overwhelmed by alien invaders but they then attempt to conquer their foes from within Smith can slip right in with Skylark Smith and World Wreckers Hamilton and slap the stars around P Schuyler Miller      *The Fourth R* George O. Smith, 2015-10-29 FIVE YEARS OLD AND ON THE RUN A small boy is artificially made super intelligent by his scientist parents But soon he has to learn to use his superior brain to escape his guardian a man ready to murder to learn his secret      Stop Look and Dig George Oliver Smith, 2011-05-16 The enlightened days of mental telepathy and ESP should have made the world a better place But the minute the Rhine Institute opened up all the crooks decided it was time to go collegiate Excerpt Someone behind me in the dark was toting a needle ray The impression came through so strong that I could almost read the filed off serial number of the thing but the guy himself I couldn't dig at all I stopped to look back but the only sign of life I could see was the fast flick of taxicab lights as they crossed an intersection about a half mile back I stepped into a doorway so that I could think and stay out of the line of fire at the same time The impression of the needle ray did not get any stronger and that tipped me off The bird was following me He was no peace loving citizen because honest men do not cart weapons with the serial numbers filed off Therefore the character tailing me was a hot papa with a burner charge labeled Steve Hammond in his needler I concentrated but the only impression I could get would have specified ninety eight men out of a hundred anywhere He was shorter than my six feet two and lighter than my one ninety I could guess that he was better looking I'd had my features arranged by a blocked drop kick the year before the National Football League ruled the Rhine Institute out because of our

use of mentals and perceptives I gave up trying I wanted details and not an overall picture of a hotbird carrying a burner I wondered if I could make a run for it I let my sense of perception dig the street ahead casing every bump and irregularity I passed places where I could zig out to take cover in front of telephone poles and other places where I could zag in to take cover beyond front steps and the like I let my perception run up the block and by the time I got to the end of my range I knew that block just as well as if I had made a practise run in the daytime At this point I got a shock The hot papa was coming up the sidewalk hell bent for destruction He was a mental sensitive and he had been following my thoughts while my sense of perception made its trial run up the street He was running like the devil to catch up with my mind and burn it down per schedule It must have come as quite a shock to him when he realized that while the mind he was reading was running like hell up the street the hard old body was standing in the doorway waiting for him I dove out of my hiding place as he came close I wanted to tackle him hard and ask some pointed questions He saw me as I saw him skidding to an unbalanced stop and there was the dull glint of metal in his right hand His needle ray came swinging up and I went for my armpit I found time to curse my own stupidity for not having hardware in my own fist at the moment But then I had my rod in my fist I felt the hot scorch of the needle going off just over my shoulder and then came the godawful racket of my ancient forty five The big slug caught him high in the belly and tossed him back It folded him over and dropped him in the gutter while the echoes of my cannon were still racketing back and forth up and down the quiet street I had just enough time to dig his wallet pockets and billfold before the whole neighborhood was up and out Sirens howled in the distance and from above I could hear the thin wail of a jetcopter Someone opened a window and called What s going on out there Cut it out Tea party I called back Go invite the cops Tommy The window slammed down again He didn t have to invite the law It arrived in three ground cruisers and two jetcopter emergency squads that came closing in like a collapsing balloon
