Patterns Of Consciousness An Essay On Coleridge

Younglim Han

Patterns Of Consciousness An Essay On Coleridge:

Patterns of Consciousness Richard Haven, 1969 The pattern which I see in Coleridge's work is one which appears in his prose as well as in his poetry and a substantial part of this book is devoted to a consideration of the development and character of some of his speculative ideas I have not however included any comprehensive discussion of Coleridge's published prose works per se and the reader will find that while I have drawn on the published prose in various ways I have relied much more heavily on notebooks marginalia and letters Preface Coleridge's Play of Mind John Beer, 2010-09-02

Each chapter takes a passage of Coleridge's life and characterizes the nature and function of a playful element in his consciousness Charles J. Rzepka, 1999 The Romantic poetas exemplified by Wordsworth Coleridge and Keatsis attracted to and made anxious by two opposite ideas of the self On the one hand he identifies with the inner self as a mind wholly at one with its perceptions and with the world as an image within it On the other hand since this inner self is wholly private the poet turns to others for confirmation of its reality either literally in direct confrontations or figuratively in the voice and workmanship of his text Because his dependence on others for a sense of his own reality jeopardizes the poet's feelings of self possession however he tries to minimize this threat by manipulating of preempting others responses to him Previous discussions of the Romantic self have focused on the self as a mental power immanent in the vision of the world it shapes Charles Rzepka now draws our attention to the poet's attitude toward the self as socially formed and confirmed and the effects of this attitude on Romantic poetry and perception **Coleridge's Writings** A. Taylor, 1994-06-12 This is an

important and illuminating collection however which could only have been assembled by a formidably learned scholar N Fruman Choice From Coleridge's vast writings this book assembles excerpts from Coleridge's inquiries into the workings of consciousness and the soul man's evolution and divergence from animals the varieties of human weakness and evil and the creation of culture and belief join to suggest an underlying coherence in Coleridge's interdisciplinary thought The editor has arranged material from an assortment of public and private writings and has provided linking commentary to the texts and notes This volume follows John Morrow's volume the first in the series On Politics and Society 1990 **Coleridge's**

Chrysopoetics Kiran Toor, 2011-01-18 This book is an attempt to assess the creative potential of alchemy as a master trope in Coleridge's conception of authorship and imagination It begins with a challenge to the idea that an autonomous author is at the centre of a literary work This idea is crucial to the reception of literature and to the way in which concepts of originality and authorship are typically understood Against this marking out of an author as a singular autonomous and uniquely privileged self it is posited that for Coleridge authorship occurs in a transformative or alchemical interspace between the desire for self expression and the necessarily other determined nature of creativity Offering an alternative trajectory for the author Coleridge elaborates an imaginative strategy in which the dislocation of the self from itself is the truest path to self expression and the author must become other in order to become more fully himself Demonstrating a

unique link between plagiarism and creativity this book suggests that alchemy better than any other system accounts for Coleridge's propensity for plagiarism and for an aesthetic of artifice In an attempt to trace Coleridge's familiarity with Hermetic and alchemical discourses throughout his life it has been necessary to review works as varied as those of Plato Marsilio Ficino Ralph Cudworth Jacob Boehme Herman Boerhaave and F W J Schelling It is then suggested how Coleridge appropriates alchemical terminology to his own aesthetic and imaginative ends Unable to resolve the desire for aesthetic autonomy with the impossibility of asserting the self in one's own voice Coleridge plays in the hermeneutic interspace between selfhood and otherness creativity and counterfeit authority and artifice in order to arrive at an entirely unique strategy of alchemical self exposition Arriving at authorial selfhood through the odyssey of alterity Coleridge's plagiarisms in this view do not violate the principles of originality but redefine them The book ends with a consideration of the necessarily negotiated fiction of all acts of imagination and authorship

Sources, Processes and Methods in Coleridge's 'Biographia Literaria' Kathleen M. Wheeler, 1980-11-27 This is Dr Wheeler's analysis of the *Biographia Literaria* one of the central prose texts of the Romantic period *Coleridge's Spiritual Language* Tim Fulford, 1991-10-13

Encyclopedia of Romanticism (Routledge Revivals) Laura Dabundo, 2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The book considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching faculty and scholars The Emergence of Romanticism Nicholas V. Riasanovsky, 1995-05-18 Although primarily known as an eminent historian of Russia Nicholas Riasanovsky has been a longtime student of European Romanticism In this book Riasanovsky offers a refreshing and appealing new interpretation of Romanticism's goals and influence He searches for the origins of the dazzling vision that made the great early Romantic poets in England and Germany Wordsworth Coleridge Novalis and Friedrich Schlegel look at the world in a new way He stresses that Romanticism was produced only by Western Christian civilization with its unique view of humankind's relationship to God The Romantic's frantic and heroic striving after unreachable goals mirrors Christian beliefs in human inability to adequately address God speak to God or praise God Further Riasanovsky argues that Romantic thought had important political implications playing a key role in the rise of nationalism in Europe Offering a historical examination of an area often limited to literary analysis this book gracefully makes a larger historical statement about the nature and centrality of European Romanticism *Transcultural Poetics and the Concept of the Poet* Ranjan Ghosh, 2016-12-08 Critiquing the politics and dynamics of the transcultural poetics of reading literature this book demonstrates an ambitious understanding of

the concept of the poet across a wide range of traditions Anglo American German French Arabic Chinese Sanskrit Bengali Urdu and philosophies of creativity that are rarely studied side by side Ghosh carves out unexplored spaces of negotiation and intersections between literature aesthetics and philosophy The book demonstrates an original method of global comparison that displaces the relatively staid and historicist categories that have underpinned comparative literature approaches so far since they rarely dare stray beyond issues of influence and schools or new world literature approaches that affirm cosmopolitanism and transnationalism as overarching themes Going beyond comparatism and reformulating the chronological patterns of reading this bold book introduces new methodologies of reading literature to configure the concept of the poet from Philip Sidney to T S Eliot reading the notion of the poet through completely new theoretical and epistemic triggers Commonly known texts and sometimes well circulated ideas are subjected to refreshing reading in what the author calls the transcultural now and in fusionised transpoetical matrices By moving between theories of poetry and literature that come from widely separated times contexts and cultures this book shows the relevance of canonical texts to a theory of the future as marked by post global concerns

The Damnation of Newton Frederick Burwick, 2012-05-10 No detailed description available for The Damnation of Newton

The Ethics of Romanticism Laurence S. Lockridge, 1989-11-02 Laurence Lockridge argues that a focus on the ethical dimension of literature is the single most powerful strategy for structuring a writer's work as a whole and that it can even prove congenial He gives original interrelated readings of eight major British Romantic writers

The Romantic Poets Uttara Natarajan, 2008-04-15 This welcome addition to the Blackwell Guides to Criticism series provides students with an invaluable survey of the critical reception of the Romantic poets Guides readers through the wealth of critical material available on the Romantic poets and directs them to the most influential readings Presents key critical texts on each of the major Romantic poets Blake Wordsworth Coleridge Byron Shelley and Keats as well as on poets of more marginal canonical standing Cross referencing between the different sections highlights continuities and counterpoints

Romantic Shakespeare Younglim Han, 2001 These two criticisms are based on the presumption that only a socially and intellectually elite reader is able to view the author's language in terms of its organic relationship with the text as a whole The Romantics focused on the interpretive reproduction of Shakespeare through sympathetic identification with his characters

BOOK JACKET

The Symbolic Imagination J. Robert Barth, 2015-03-08 Studying the nature of symbol in Coleridge's work Father Barth shows that it is central to Coleridge's intellectual endeavor in poetry and criticism as well as in philosophy and theology He finds symbol to be an essentially religious reality for Coleridge one that partakes of the nature of a sacrament especially sacrament as an encounter between material and spiritual reality Father Barth notes that eighteenth century poetry was by and large a poetry of metaphor rather than of symbol a poetry of reference rather than of encounter In close readings of the poetry of Wordsworth and Coleridge he shows how they practiced and developed the poetry of symbol Finally analyzing the symbolic imagination the author concludes that

it is a phenomenon profoundly linked with the experience of Romanticism itself and with a fundamental change in religious sensibility Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Form of Transformed Vision James S. Cutsinger, 1987 *The Design of Biographia Literaria* Catherine M. Wallace, 2016-06-17 First published in 1983 this book examines a work whose intricacies have baffled and infuriated generations of readers and proposes a theory of Coleridge's writing habits that explains his explanation The author painstakingly analyses the Biographia's organising structure distinguishing between the daring conception and often inept execution of Coleridge's idea of critical discourse It is argued that Coleridge's autobiographical format presents a richly metaphorical self whose literary life has led to the now famous doctrine of secondary imagination The author's command of Coleridge scholarship will shed new light on the Biographia for specialists and non specialists alike

Gothic Radicalism A. Smith, 2000-06-05 Applying ideas drawn from contemporary critical theory this book historicizes psychoanalysis through a new and significant theorization of the Gothic The central premise is that the nineteenth century Gothic produced a radical critique of accounts of sublimity and Freudian psychoanalysis This book makes a major contribution to an understanding of both the nineteenth century and the Gothic discourse which challenged the dominant ideas of that period Writers explored include Mary Shelley Edgar Allan Poe Robert Louis Stevenson and Bram Stoker

Romantic Poems, Poets, and Narrators Joseph C. Sitterson, 2000 Students of Blake Coleridge Wordsworth and Keats should appreciate these readings of the major romantic poems The book presents a guide to the various and complex discourses formalist psychanalytic deconstructive and new historicist in which these poems have been reviewed

Plato and the English Romantics (RLE: Plato) E Douka Kabitoglou, 2013-05-07 This book tackles the problematic relationship between Platonic philosophy and Romantic poetry between the intellect and the emotions Drawing on contemporary critical theory especially hermeneutics and deconstruction the author shows that a dialogue between thinking and poetizing is possible The volume yields many new insights into both Platonic and Romantic texts and forms an important work for scholars and students of Greek philosophy Romantic literature and critical theory

Patterns Of Consciousness An Essay On Coleridge Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Patterns Of Consciousness An Essay On Coleridge PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Patterns Of Consciousness An Essay On Coleridge PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Patterns Of Consciousness An Essay On Coleridge free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Patterns Of Consciousness An Essay On Coleridge Books

1. Where can I buy Patterns Of Consciousness An Essay On Coleridge books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
