

Nursing Strategic Plan 2014-2016

This document provides high-level overview of our Nursing Strategic Plan for 2014-2016. The goals outlined in this plan are based on the foundations of our Relationship-Based Care Model and are an extension of Allina Health's mission, vision and values.

Professional Nursing Practice Model

Built on the foundations of the individual relationships nurses establish with patients and families, the Professional Nursing Practice Model incorporates all of the components necessary for the delivery of exceptional nursing care. The diagram of this model provides a visual representation of the fundamental components of nursing practice that are defined in the Allina Charter for Professional Nursing Practice. The model is meant to demonstrate all of the things nurses inherently know as part of their professional practice.

Our guiding principles have been and will continue to be Allina Health's mission and vision.

Our mission

We serve our communities by providing exceptional care, as we prevent illness, restore health and provide comfort to all who entrust us with their care.

Our vision

- Put the patient first.
- Make a difference in people's lives by providing exceptional care and service.
- Create a healing environment where passionate people thrive and excel.
- Lead collaborative efforts that solve our community's health care challenges.
