The Reagan Years: a Social History of the 1980'S Richard Stanley,2017-12-15 Ronald Reagans legacy as president is

nearly unparalleled in American history due to his domestic and foreign policy leadership Reagan's contrarian insistence on advocating limited government and supply side economics drew much bipartisan criticism causing the Great Communicator to take his argument that lowering taxes would encourage economic growth directly to the people. The result Congress granted 750 billion in tax cuts in 1981. The Reagan Revolution had begun. By mid 1983 the nation's economy was booming. On President Reagan's first day in office the Iran Hostage Crisis finally came to an end. Fifty two American embassy personnel held hostage by a defiant Iran during the last four hundred plus days of the Carter administration were freed. A definite win for all Americans. But Reagan soon was widely criticized for insulting Russia's leaders by calling the Soviet Union the evil empire. Later Reagan was criticized at home and abroad for challenging Soviet premier Gorbachev to tear down the Berlin Wall. Reagan's most criticized proposal of all however was his insistence on developing his Strategic Defense Initiative (SDI) space weapons to defend America from incoming Soviet nuclear missiles. Domestic critics dismissed his proposal as a Star Wars fantasy but the Soviets feared SDI. By December 1991 it was clear that Reagan's Star Wars fantasy helped cause the bankruptcy and total collapse of the Soviet Union bringing a peaceful end to the decades long Cold War.

Reno Guy Clifton, 2012 Reno has always been a small town where big things happen. Long before it adopted the slogan The Biggest Little City in the World Reno was visited by presidents, the nation's elite and those drawn to the city's wide open live and let live attitude. The Fight of the Century between heavyweight boxers Jack Johnson and Jim Jeffries brought Reno worldwide attention in 1910 and the legalization of gambling and liberalization of divorce laws in 1931 made the city a national destination. At the same time Reno never lost its small town feel with generations of families and scores of familiar faces building long standing businesses and instilling a sense of civic pride.
