Paul and His Message for Life's Journey William G. Thompson,1986-01-01      **Paul the Apostle to America** Robert Jewett,1994-01-01 Using a nontechnical presentation of recent research and a sometimes whimsical treatment of contemporary artifacts Robert Jewett shows how Paul engages and challenges American society in unexpected ways He offers preliminary explorations of the relevance of Paul s letters to the American scene and exploits the resources of scientific biblical research that allow Paul s message to be clarified Important trends in American culture including popular entertainment and books are brought into interaction with freshly discovered aspects of Pauline thought      Life's Journey Marlene Schilperoord,2019-12-03 Often we hear people say that all religions should be forbidden because they only bring misery These reactions are understandable when we see or hear the daily news But where does all this misery come from Is it because former religious leaders pursued self interest too much instead of the Christian faith from the source Or is it our indifferent attitude that offers negative forces a free path To find the answer we must go back to our source of life to the reason for our earthly existence It teaches us that what we call religion is the development of a spiritual consciousness to elevate the human soul the very self And that the words of our Creator do not stop on the last page of the bible He has sent us His New Revelations to encourage us and to find our way home again to the House of our Eternal Loving Father Whoever reads the book may realize how important it is to ask yourself life questions How you can give substance to your earthly existence That this book may help you on your way to find your purpose in your life s journey      *The Beginnings of the Church* Frederick J. Cwiekowski,1988 The Beginnings of the Church is a brief and marvelously readable summary of the dramatic shifts that have taken place in the way scholars understand the first generations of the Christian church      **Who Is a Christian?** Robert F. revealing the multifaceted institution that God envisioned the Church to be Addressing Difficult Texts Each chapter concludes with a Bible Difficulties section where commonly misunderstood or misinterpreted texts are put under the microscope Employing rigorous conservative scholarship the commentary dispels doubts and misconceptions reinforcing the inerrancy of Scripture Apologetic Undertone Beyond mere exposition this book has a robust apologetic undertone It serves as a defense of the Christian faith addressing contemporary issues and challenges through the lens of Paul s teachings It unequivocally establishes that there is no universal salvation and that the concept of once saved always saved is unscriptural It also emphasizes that while we live in an age of grace obedience to Christ remains paramount Who This Book is For Scholars seminary students pastors and committed laypersons will find this volume an invaluable resource It serves as a comprehensive guide for sermon preparation academic study and for anyone eager to dive deep into understanding God s purpose for the Church as laid out in Paul s Letter to the Ephesians Comprehensive Concluding with a meticulous bibliography the book is exhaustive but not exhausting making it accessible for readers at a 10th to 11th grade reading level It employs simplified terminology concrete examples and visual aids to ensure that even complex theological concepts are easily grasped In a world filled with spiritual confusion and doctrinal dilution PAUL S LETTER TO THE EPHESIANS CPH New Testament Commentary stands as a beacon guiding the reader back to the immutable truths of God s Word It is not just a book to be read but a treasure to be explored
