Paul Against Supernaturalism:

Supernaturalism in Christianity William E. Phipps, 2007 Until modern times defenders of Christianity generally assumed without question that supernaturalism was the best means for convincing religious unbelievers of the gospel truth This book discusses what continue to be hot button issues displaying that supernaturalism has not lost its grip on believers **The Anti-Supernatural Bias of Ex-Christians** Fred Deruvo, 2009-05 A phenomenon is happening today at an alarming rate More and more people are boldly proclaiming that they are no longer Christians but ex Christians Many are now in fact atheists Can this be true If they are non Christians now were they truly Christians to begin with They will state without equivocation that they were in fact committed Christians but no longer What is the deal The author investigates this and other areas related to the biblical salvation even dedicating a number of chapters in which he reviews and critiques the book *Why I Became an Atheist* by John W Loftus The Christian turned atheist s line of thinking and resultant statements merely creates more questions questions that deserve to be answered Join Fred as he works his way through the conundrum of statements and questions posed by the ex Christian **Paul Against Supernaturalism** William E.
