## **Paul McCartney Driving Rain:**

**Paul McCartney: "Driving Rain"** Music Sales Limited, 2002-01-30      **That Was Me** Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented That Was Me explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today      The Words and Music of Paul McCartney Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970 2007 offers an analysis of his songs recordings and his impact on popular music The Words and Music of Paul McCartney The Solo Years examines the large and varied oeuvre of this deeply personal artist showing how McCartney s stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four After a biographical introduction chronologically arranged chapters explore McCartney s music in the immediate aftermath of the breakup of the Beatles his work with Wings during the 1970s his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music The examination also covers McCartney s critically acclaimed work in the first decade of the 21st century including Memory Almost Full and Ecce Cor Meum a composition written in the style of sacred English choral music Throughout the book supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail      **Paul McCartney After the Beatles: A Musical Appreciation** Adrian Allan, 2019-07-10 This is a musical analysis of Paul McCartney from 1970 to today It is aimed at students of popular music theory educators musicians and aspiring songwriters It will also appeal to the general Beatles and McCartney fan who wishes to understand music on a deeper level A beginner s guide to music theory and glossary are provided Eighty of McCartney s post Beatles songs are discussed in the format of short but accessible essays For each song full details are provided concerning date of release place of recording instrumentation and key signature The description for each song details the musical techniques that McCartney uses such as chord patterns structure use of instruments vocal harmony tonality and key changes In addition every chapter details his life and work in each decade A conclusion identifies the main characteristics of McCartney s style The appendix details every recording location used An invaluable guide to the music of the world s most successful songwriter      The Unknown Paul McCartney Ian Peel, 2013-04-02 Internationally acclaimed knighted and immortalised in music s pantheon Paul McCartney nevertheless remains one of the least fully appreciated of modern icons

Throughout his career McCartney has initiated and participated in projects that have taken him very far away from the kind of music associated with his career in The Beatles in Wings and as a solo artist. From as far back as the 1960s there have been experimental solo projects both under his own name and incognito. These include the legendary Carnival of Light sixties freak out, the Percy Thrillington diversion in the 70s techno ambient and chill out releases as The Fireman, pure noise performance art as well as less publicised activity much of which Ian Peel now reveals in depth in print for the first time. What emerges is a unique critical insight into an apparently over familiar public figure Paul McCartney, avant garde musician. Undertaking extensive research for this book Ian Peel interviewed many of McCartney's intimate musical associates from this less familiar side of his career including Super Furry Animals on their carrot chewing percussion and electronic sound collage collaborations. Youth, the three times BRIT nominated producer speaks in depth for the first time ever on his two albums of techno ambient and chill out recorded with McCartney as The Fireman. Nitin Sawhney on McCartney's first tentative steps into drum bass, holed up in Sawhney's London bedsit. Richard Hewson breaks a 20 year silence on the Thrillington project and pseudonym David Vaughan, the renowned psychedelic artist and organiser of 60s happenings, airs his strong views on Carnival of Light. The Beatles' most legendary unreleased track. Other interviewees include Yoko Ono, bassist Herbie Flowers, Gong's Daavid Allen, Frank Zappa's guitarist Mike Keneally, JJ Jeczalik, Art of Noise and members of Wings.

**The Fifth Magician** Forrest Dailey, 2003-10. At five foot two, Angel Mahoney finds being a bouncer at a Phoenix nightclub a definite challenge. Trained in the martial arts, she has the edge. Even more of a challenge is working for one of her bosses, James Callahan. Reserved and intimidating as well as being handsome, Angel had to prove herself capable of the job since he is not thrilled with having a female bouncer. When malicious pranks start to happen at the nightclub, coinciding with a rash of local jewelry store robberies, Angel is suspected by James of being responsible at least for the pranks when she happens to be in the vicinity each time to the storeroom where they originated from. This is thanks in part to being sent on errands there by one of the managers, Bob Newsome. It also doesn't help that the secretary of the club, Jannelle Martin, doesn't like her and Angel doesn't know why. When Angel is told to stay away from the storeroom, she asks one of the bartenders to see if he can find any clues to help clear her. He leaves her a note to meet her in the storeroom and on her way to it, she has a confrontation with the manager who'd sent her on the errands. He accuses her of being in love with James Callahan, who he says is seeing Jannelle. Although this shakes her some when she finds bartender John Mack in the storeroom with a knife in his chest and then Angel is attacked, she pulls it together and decides to start investigating on her own to find John's killer. What ensues is Angel fighting to clear her name and save her life. Because whoever killed John Mack not only doesn't want her to find out who his murderer is, they're determined to have Angel to join him. *Mark Arnold Picks on the Beatles* Mark Arnold, 2011-03-19.
