Pierce, Rebecca Wagner Sytsema, 2005-08-05

Hearing the voice of God is not as difficult as some might think It may even happen without our realization As God has spoken throughout the ages He continues to speak today in many different ways including through an impression in a person s spirit of through a passage of Scripture or via a prophetic dream Since we were created to commune with God He longs for us to draw near to Him so that we can know His heart and understand His will for our lives **The Collected Works of Witness Lee, 1985, volume 4** Witness Lee, The Collected Works of Witness Lee 1985 volume 4 contains messages and fellowship given by Brother Witness Lee on October 4 through December 8 1985 At the beginning of October Brother Lee traveled to Taipei Taiwan and ministered there until the first week of December During this period he visited Singapore and Manila Philippines for about one week The contents of this volume are divided into six sections as follows 1 Ten messages given in Taipei Taiwan on October 4 through November 6 These messages were previously published in Chinese in a book entitled The Supply of the Word and the Increase of the Church They were translated into English and are included in this volume under the same title 2 Five messages given in Taipei Taiwan on October 7 through 11 These messages were previously published in Chinese and English in a book entitled The Full Knowledge of the Word of God They are included in this volume under the same title 3 Five messages given in Taipei Taiwan on October 7 through 11 These messages were previously published in Chinese and English in a book entitled Everyone Speaking the Word of God They are included in this volume under the same title 4 Five messages given in Taipei Taiwan on October 7 through 11 These messages were previously published in Chinese and English in a book entitled Meeting to Speak the Word of God They are included in this volume under the same title 5 Eight messages given in Taipei Taiwan on November 1 through December 9 These messages were previously published in Chinese in a book entitled Practicing the God ordained Way with One Accord They were

Strauss, 2023-02-14 One of the keys to effectively preaching and teaching God's Word is a deep understanding of the meaning of biblical words in the original Hebrew and Greek As the building blocks of language words are the means we use to communicate with one another and they're also the means God has chosen for communicating with us his people To enrich your preaching teaching and personal study of God's Word this clear accurate and easy to use dictionary offers the most up to date evangelical biblical scholarship as well as fascinating detailed explanations of biblical words Whether you're a pastor a seminary student or a lay student of the Bible this expository dictionary offers a wealth of information about the original Hebrew and Greek words of Scripture **Exalting Jesus in Philippians** Tony Merida, Francis Chan, 2016-02-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition Projected contributors to the series include notable authors such as Russell D Moore Al Mohler Matt Chandler Mark Dever and others *The Vital Groups* Witness Lee, 1996

The First Letter to the Corinthians Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula's primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes *The Living under God's Governmental Administration in His Salvation and the Provisions of the Divine Life* Witness Lee, In his Epistles Peter emphasizes God's
