Paul The Man And The Myth:

Paul Calvin J. Roetzel, Cameron Evan Ferguson, 2023 A revision of the award winning Paul The Man and the Myth This new volume offers thorough editorial updates revised and expanded argument and a new chapter on the earliest interpreters of Paul and their engagement with his legacy including a fresh treatment of Mark as one of the earliest gospel interpreters of Paul if not the earliest

Paul Calvin J. Roetzel, Cameron Evan Ferguson, 2023-08-15 Paul The Man and the Myth opens a window into the humanity of the most influential apostle of the early Christian church and in doing so offers a fresh view of this important historical figure In examining the apostle and his theology Calvin J Roetzel vividly depicts Paul s world the land where he grew up the language he spoke the Scriptures he studied and the lessons he learned in letter writing and rhetoric Roetzel presents an evangelist anxious about the welfare of his churches a theologian facing fierce opposition a missionary at the mercy of the elements and a man suffering physical assault slander and imprisonment In contrast to the powerful hero described in Acts and the Apocryphal Acts Roetzel s portrayal presents a physically weak even sickly theologian a letter writer and a preacher unskilled in speech Questioning the historicity of widely held beliefs about the apostle including his Roman citizenship Roetzel suggests that Paul never abandoned ties to his native Judaism or to the Hellenistic culture of his childhood Roetzel underscores that no matter how Paul s image has changed through history he remains forever tied to support for the weak and vulnerable faith in one God and the transgressing of social boundaries

Paul, the Man and the Myth Andrew Queen Morton, James McLeman, 1966 **Jesus as Man, Myth, and Metaphor** Benjamin W. Farley, 2007-09-01 Current New Testament scholarship has done much to advance knowledge of Jesus s authentic words and message The works of Crossan Borg Vermes Mack and many others attest to this movement In this process however the Christ of the Gospels or the so called Christ of faith has been caught in the crosshairs forcing Christianity to reflect anew on the church s interpretation of his life and place in history Has the church s dogma overreached the facts of Jesus s life Farley s book addresses these issues and offers a feasible and illuminating context within which to reexamine Jesus s life and significance for modern humankind His book probes the boundaries of Jesus as a historical person as a man as a figure of mythical proportions and as a metaphor for today s Christian sense of wholeness Along the way Farley incorporates the insights of Carl Jung Joseph Campbell and Paul Tillich to demonstrate the ways that psychology mythology and symbolism contribute to an appreciation of Jesus that moves beyond the debate of Jesus s historical status alone *The Theology of Paul the Apostle* James D. G. Dunn, 2006-05-17 Using Paul s letter to the Romans as the foundation for his monumental study of Paul s theology James D G Dunn describes Paul s teaching on God sin humankind Christology salvation the church and the nature of the Christian life **The Origin of Paul's Gospel** Seyoon Kim, 2007-04-01 In answer to Pauline scholarship that tends to explain the origin of Paul s gospel in Palestinian Judaism Hellenistic Judaism mystery cults or Gnosticism Seyoon Kim here argues that the origin lies in Paul s own testimony that he

received the gospel from the revelation of Jesus Christ on the Damascus road Only when this insistence of Paul is taken seriously says Kim can we really understand Paul and his theology Kim begins his investigation of Paul's interpretation of the Damascus event by examining Paul's Rabbinic background He then takes a more detailed look at just what occurred on the Damascus road and follows this with a thorough discussion of Paul's gospel the revelation its Christology and its soteriology keeping in mind at all times how it relates to the Damascus event **Saving the Neanderthals** Mark S.

McLeod-Harrison, 2019-10-29 What happens when the wrench of evolution is dropped into the hopper of Christian theology Written by a philosopher Saving the Neanderthals takes evolution as its foil and shows what might have to change in Christian theology in order to make theology compatible with evolution If the Christian faith is shown consistent with what Mark S McLeod Harrison calls hard evolution then the softer versions will also be compatible Indeed that is exactly what the book argues specifically for the Christian doctrines of sin and salvation These doctrines typically rely on some fairly strong realist version of essentialism which hard evolution denies but McLeod Harrison proposes an approach to sin and salvation that is compatible with the anti essentialist claims of hard evolution **Paul as homo novus** Eve-Marie Becker, Jacob

Mortensen, 2018-04-16 20th century research in St Paul is widely impacted by Adolf Deissmann's prominent view on the apostle as a homo novus 1911 But where does this concept originate from and what does it imply This collection of articles does not only re-evaluate Deissmann's concept by tracing it back to its historical and socio-political origins in Cicero and exploring how authors from early Imperial Time perceive and transform the homo novus paradigm by diverse modes and strategies of literary self-fashioning Scholars ranging the fields of New Testament Studies Greek and Latin Philology Ancient History Patristics and Comparative Literature also examine how the Ciceronian paradigm was early on transformed disseminated and applied as a literary concept and an authorial topos of self-molding One of the leading questions throughout the volume thus is How do authors like Cicero Horace Paul Tacitus Seneca Athanasius and Augustine fashion themselves in accordance to or in difference from the idea of being a new man It is argued that by means of literary self-configuration indeed some of these writers such as Paul and Augustine want to appear as new men by either altering traditional social moral religious or political roles or by creating new patterns of social behavior and religious self-understanding Corporate Elements in Pauline Anthropology Sang-Won Son, 2001 In this book the author claims that

modern western biblical scholarship greatly influenced by extreme individualism has not paid due attention to the corporate dimension of Pauline anthropology It investigates the following elements in Paul's letters in the light of his usage and background 1 Paul's in Christ formula 2 his comparison and contrast of Adam and Christ 3 his concept of the church as the body of Christ and 4 as the temple house and building of God and 5 his understanding of the sexual union as one flesh The author insists that these elements closely interwoven in concept and realistic in expression indicate that Paul understands the risen Christ as a corporate person in whom all believers are included and the church as a corporate solidarity inclusive of

both Christ and believers Underlying this concept is the author argues Paul s assumption of the corporate solidarity of human existence Paul views man not only as an individual but also as a corporate person whose existence extends in certain respects beyond his individual being to form corporate solidarity with others This view of man both as an individual and corporate person the author concludes has significant implications for the rest of Pauline theology particularly for his Christology ecclesiology and eschatology

Paul and the New Perspective Seyoon Kim,2001-11-08 Understanding Paul and his conversion to Christianity is

imperative for a thorough knowledge of the New Testament In Paul and the New Perspective Seyoon Kim develops his argument that the origin of Paul's gospel lies in two places his radical conversion at Damascus and his usage of the Jesus tradition in light of Damascus This new way of looking at Paul further explains how Paul made strong distinctions between the Spirit and the flesh law with further implications for his doctrine of justification A departure from the New Perspective School represented by James D G Dunn Kim's Paul and the New Perspective offers a thorough and extensive argument for the foundation of the gospel that Paul spread in the first century

Paul and the Imperial Authorities at Thessalonica and Rome James R. Harrison, 2011 James R Harrison investigates the collision between Paul's eschatological gospel and the Julio Claudian conception of rule The ruler's propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul's proclamation of the reign of the risen Son of God over his world This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul's eschatology intersected with the imperial cult in the Greek East and in the Latin West A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul's view culminated in the arrival of God's new creation upon Christ's return as Lord of all Paul exalted the Body of Christ over Nero's body of state transferring to the risen and ascended Jesus many of the ruler's titles and to the Body of Christ many of the ruler's functions Thus for Paul Christ's reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit
