Receives Answers E. M. Bounds,2003-06-01 If God answers prayer why doesn t He answer mine Does this sound familiar

Prayer is what connects us to the Creator without prayer we lack His guidance and His power in our lives We become an

Betrayal Sheldon W. Liebman,2018-11-27 In the view of many contemporary scholars both Jesus and Judaism have been

misrepresented by the church for the past two thousand years Their main point is that Judaism was not a superficial rigid and

outdated religion and Jesus did not reject it In fact along with his disciples he remained a Law abiding Jew his entire life

However as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in

the fourth century the church was transformed Jesus was redefined and both Jews and their religion were repudiated and

marginalized In short both Christians and Jews were deeply affected by what many scholars now call the de Judaization of

Jesus This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that

emerged over the first four centuries of the life of the church      *Commentary on the New Testament* Daniel Denison
