in prison Edward interrupts the coronation as Tom is about to be crowned as king The nobles are shocked at their resemblance and refuse to believe that Edward is the rightful king wearing Tom s clothes until he produces the Great Seal of England that he hid before leaving the palace Edward and Tom switch back to their original places and Edward is crowned King Edward VI of England Miles is rewarded with the rank of Earl and the family right to sit in the presence of the king In gratitude for supporting the new king s claim to the throne Edward names Tom the King s Ward a privileged position he holds for the rest of his life The ending explains that though Edward died at the age of 15 he reigned mercifully due to his experiences while Tom lived to be a very old man
