Transgender History & Geography: Crossdressing in Context Bolich, Ph. D. G. G. Bolich, 2007-09-28 The third in a landmark five volume study of transgender realities with a focus on crossdressing this fascinating volume offers a tour through history and around the world Within these pages are found the most famous crossdressers of history and information as to what it means to be a transgender person in the various countries of the world today Class Acts Mary Rizzo, 2015-08-01 Class Acts explores the development of lifestyle marketing from the 1960s to the 1990s During this time young men began manipulating their identities by taking on the mannerisms culture and fashion of the working class and poor These style choices had contradictory meanings At once they were acts of rebellion by middleclass young men against their social stratum and its rules of masculinity and also examples of the privilege that allowed them to try on different identities for amusement or as a rite of passage Starting in the 1960s advertisers and marketers looking for new ways to appeal to young people seized on the idea of identity as a choice creating the field of lifestyle marketing Mary Rizzo traces the development of the concept of lifestyle marketing showing how marketers disconnected class identity from material reality focusing instead on a person s attitudes opinions and behaviors The book includes discussions of the rebel of the 1950s the hippie of the 1960s the white suburban hip hop fan of the 1980s and the poverty chic of the 1990s Class Acts illuminates how the concept of lifestyle particularly as expressed through fashion has disconnected social class from its material reality and diffused social critique into the opportunity to simply buy another identity. The book will appeal to scholars and other readers who are interested in American cultural history youth culture fashion and style DYNAMICS OF FASHION. ELAINE. Clark, 2017-02-09 Taking cultural theorist Michel de Certeau's notion of the everyday as a critical starting point this book considers how fashion shapes and is shaped by everyday life Looking historically for the imprint of fashion within everyday routines such as going to work or shopping or in leisure activities like dancing the book identifies the fashion system of the ordinary in which clothing has a distinct role in the making of self and identity Exploring the period from 1890 to 2010 the study is located in London and New York cities that emerged as as socially ethnically and culturally diverse as well as increasingly fashionable The book re focuses fashion discourse away from well trodden power laden dynamics towards a re evaluation of time memory and above all history and their relationship to fashion and everyday life The importance of place and space and issues of gender race and social class provides the broader framework revealing fashion as both routine and exceptional and as an increasingly significant part of urban life By focusing on key themes such as clothing the city what is worn on the streets the imagining and performing of multiple identities by dressing up and down going out and showing off Fashion and Everyday Life makes a unique contribution to the literature of fashion studies fashion history cultural studies The to Z of the Fashion Industry Francesca Sterlacci, Joanne Arbuckle, 2009-10-26 The history of clothing and beyond begins with the origin of man and fashionable dress can be traced as far back as 25 000 years ago Recent scientific explorations have uncovered graves in northern Russia with skeletons covered in beads made of mammoth ivory that once adorned clothing made of animal skin The Ancient Egyptians Greeks and Romans each made major contributions to fashion s legacy from their textile innovations unique clothing designs and their early use of accessories cosmetics and jewelry During the Middle Ages fashion trends emerged as trade and commerce thrived allowing the merchant class to afford to emulate the fashions worn by royals However it is widely believed that fashion didn t became an industry until the industrial and commercial revolution during the latter part of the 18th century Since then the industry has grown exponentially Today fashion is one of the biggest businesses in the world with hundreds of billions of dollars in turnover and employing tens of millions of workers It is both a profession an industry and in the eyes of many an art The A to Z of the Fashion Industry examines the origins and history of this billion dollar industry This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced entries on designers models couture houses significant articles of apparel and fabrics trade unions and the international trade organizations Transcribing Class and Gender Carole Srole, 2012-03-19 Examines the historical roots of clerical work and the role that class and gender played in determining professional status

Diamond Stories Renée Rose Shield,2002 Sequestered within the heart of a cosmopolitan city is an exotic world a place where diamonds astronomically priced are bought and sold on the strength of a handshake and business disputes are resolved according to ancient Jewish principles of arbitration Yet it is also a modern industry facing the same fundamental global changes affecting all businesses today In Diamond Stories Ren e Rose Shield leads us into the unexamined realm of wholesale diamond traders in New York Related to several well respected traders she had unprecedented access to a society

normally closed to outside inquiry Here she deftly blends her personal relationship and her anthropological training to provide an insightful exploration of this tradition bound industry the new challenges it faces and the ways both industry and individuals adapt to and endure change Shield begins with a fascinating history of diamond mining combining the story of the De Beers cartel the role of Jews in the trade and the part diamonds have played both in war and liberation Throughout she incorporates commentary by current diamond traders Succeeding chapters explore the evolving nature of both the global trade and the New York diamond district Shield takes a close look at the increasingly complex ethnic makeup of the district illuminates the rarely documented work done by women chronicles the resilient system of arbitration and reveals the ways in which many traders work well into their eighties and nineties Their long lives of work cushioned by the trade s social environment offer hints for successful aging in general The Scramble for the Teenage Dollar Katharine Rollwagen, 2025-05-15 Co ed junior miss grad teenster From the late 1930s to the 1950s the teenager emerged as a distinct and ideal market segment The Scramble for the Teenage Dollar explores how consumption became an integral part of being a teenager This nascent consumer always a white middle class heterosexual high school student had purchasing power that demanded recognition At least that was the image fashioned by Canadian advertisers and retailers and especially the biggest department store of the time Eaton's Katharine Rollwagen dives into consumer magazines Eaton's archives and mail order catalogues to discover how the commercialized Canadian teenager was created Packed with insights about how retailers and advertisers attempted to shape the look bodies and behaviour of young Canadians this is an intriguing look at the power of corporate actors to influence popular understandings of growing up It also reveals the roots of the hyper consumerism common among young people today
