**Perils of Professionalism** Donald B. Kraybill, Phyllis Pellman Good, 1982      **The Sociology of Mennonites, Hutterites and Amish** Donovan E. Smucker, 2006-01-01 No detailed description available for The Sociology of Mennonites Hutterites and Amish      **Sex in the Parish** Karen Lebacqz, Ronald G. Barton, 1991-01-01 Karen Lebacqz and Ronald Barton examine the gift of sexuality in relation to the parish and the dynamics of sexual desire and temptation Included in this book are the experiences of a pastor who did not set appropriate limits explanations of how the pastoral role affects sexual contact between pastor and parishioner suggestions for a framework of ethical analysis an examination of questions for women in ministry single pastors and pastors who are gay lesbian or bisexual and a review of ethical issues related to persons who carry responsibilities for the structures of ministerial practice      **Ethics and Spiritual Care** Karen Lebacqz, Joseph Driskill, 2010-10-01 Ethics and Spiritual Care responds to three phenomena of increasing importance Although spiritual care is at the heart of ordained ministry there is no text in professional ethics for clergy that focuses specifically on spiritual care What ethical guidelines are needed to ensure that spiritual care in ministry is appropriate Many people in our world do not consider themselves religious but use the term spiritual The burgeoning interest in spirituality is an invitation to people with little training to set themselves up as spiritual directors Guidelines are needed not simply for the ethical practice of parish ministry but for specific practices of spiritual direction Allegations of spiritual abuse have been made both in practice and in the literature the term is being used with some frequency The development of this term and its implications requires some scrutiny and response as sexual abuse is not a good model for understanding spiritual abuse

*Where the People Go* John D. Roth, 2020-06-30 A barn raising A quilting bee A credit union A socially responsible investment *Where the People Go* tells the story of Anabaptist Mennonite efforts to enable communal forms of sharing Mutual aid stewardship and generosity are deeply embedded in the Christian faith and have been actively nurtured among Anabaptist Mennonite groups Spontaneous forms of assistance a barn raising a quilting bee shared meals are the best known expressions of such compassion and generosity but the commitment to sharing one another's burdens has also found expression in more formal structures Seventy five years ago Mennonite Mutual Aid emerged to organize the principle of sharing within a growing Mennonite denomination A dynamic organization from the beginning MMA moved quickly from a burial and survivor's aid plan to include health property and automobile insurance In coming decades the organization shifted its focus from mutual aid to stewardship and generosity symbolized by a growing emphasis on socially responsible investment programs wholistic health financial planning and services associated with its member owned credit union Always an agency of the Mennonite church MMA now known as Everence has balanced its spiritual commitments with an increasingly complex regulatory environment the national strains associated with the health care debate the shifting sensibilities of its customers and the organizational complexities of a major corporation This story of Everence captures the

stresses and idealism of a church related institution committed to mutual aid stewardship and generosity during its seventy five year history      Ecclesial Leadership as Friendship Chloe Lynch,2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry      *Reviewing Leadership (Engaging Culture)* Robert J.
