Point Of No Return:

The Point of No Return Derek Crisp, 2011-04-30 There must have been a time when you felt that you needed a change After all the grass is always greener on the other side of the fence But what if you climbed over the fence and discovered it isn't What happens then The Point of No Return Rick Renner, 2014-11-04 Adventure beyond anything you've ever imagined awaits you You've reached a crossroads in your life and you know it If you're ever going to step out and obey what God is asking you to do it's now or never Your heart calls for you to reach for the adventure of a lifetime It's scary to do something you've never done but that's exactly what it'll take for you to accomplish more than you've already done The unknown and its risks may seem daunting but the alternative of remaining trapped in mediocrity because you refused to try is an unbearable thought Yet you can't help but wonder What should I do now In his classic and updated message The Point of No Return Rick Renner presents a clear no nonsense approach to help you prepare for and carry out each new assignment God gives you in pursuit of His purpose for your life God's grace is sufficient and His wisdom will instruct and equip you to do His will Are you willing to trust Him by stepping out to cross your own personal point of no return The Point of No Return Thomas Byrne Edsall, 2023-04-11 How Donald Trump laid waste to American politics culture and social order After Donald Trump's rise to power after the 2020 presidential election after January 6 is American politics past the point of no return New York Times columnist and political reporter Thomas Byrne Edsall fears that the country may be headed over a cliff arguing that the election of Donald Trump was the most serious threat to the American political system since the Civil War In this compelling and illuminating book Edsall documents how the Trump years ravaged the nation's politics culture and social order He explains the demographic shifts that helped make Trump's election possible and describes the racial and ethnic conflict culture wars rural urban divide diverging economies of red and blue states and the transformation of both the Republican and Democratic parties that have left our politics in a state of permanent hostility The Point of No Return brings together a series of Edsall's columns bookended by a new introduction and conclusion which show how we got to this dangerous point These dispatches from our new political landscape chronicle the emergence of what Edsall calls the not so silent white majority and show how Trump deployed fears about race and immigration to appeal to voters Edsall examines Trump's construction of an alternate reality discusses why we don't always vote according to our own self interest and explores the Democrats calibrated response Considering the 2020 election and its violent aftermath Edsall looks at the Capitol insurrection and warns that American democracy is under siege The forces behind Trump's election and the stop the steal true believers have pushed the nation to the brink Point of No Return Paul Osborn, 2021 Point of No Return is Marquand's popular story of a junior bank official who has bent himself toward creeping up the financial ladder until he now is within reach of the almost ultimate goal a vice presidency When he reaches this point he discovers that it isn't really what he wanted at all but it is too late for him to do anything but go on in the ocean fliers phrase he has reached the point of no

return It is a cleverly made story which has a satisfying amount of praise of such cultural pursuits as book reading and anthropology and an ending which is happy enough in as much as the hero does win the vice presidency and all that goes with it Back cover
