The Art of Gratitude Jeremy David Engels, 2018-04-25 Explores how the emotional experience of gratitude has been enlisted in neoliberal governance through the language of debt In The Art of Gratitude Jeremy David Engels sketches a genealogy of gratitude from the ancient Greeks to the contemporary self help movement One of the most striking things about gratitude Engels finds is how consistently it is described using the language of indebtedness A chief purpose of this he contends is to make us more comfortable living lives in debt with the nefarious

effect of pacifying the citizenry so we are less likely to speak out about social and economic injustice To counteract this he proposes an alternative art of gratitude as thanksgiving that is inspired by Indian philosophy particularly the yoga philosophy of the Bhagavad Gita and Patanjali's Yoga Sutras He argues that this art of gratitude can challenge neoliberalism by reorienting our politics away from resentment anger and guilt and toward a democratic ethic of thanksgiving and the common good In the contemporary moment when gratitude is widely touted as the panacea to many of our ills Jeremy Engels provides a timely critical genealogy of this emotion showing how it has been used for social control and how it affirms the state of indebtedness at the heart of neoliberalism But Engels also makes a compelling case for the art of gratitude a gratefulness with capacities for cultivating the self and strengthening democracies William Edelglass coeditor of Facing Nature Levinas and Environmental Thought This book accomplishes two important goals it provides a very detailed and interesting history of gratitude in the West and it brings Eastern philosophy especially yoga into our accounts of gratitude and flourishing A unique project with an eminently readable style it will appeal to a number of audiences including those interested in the theory and practice of yoga Scott R Stroud author of John Dewey and the Artful Life Pragmatism Aesthetics and Morality

Resting in His Redemption James Gills,2011 The Scriptures teach clearly that God desires to live in intimate fellowship and communion with mankind He wants us to enjoy His love peace joy and companionship and to rest in His redemption experiencing the perfect harmony and contentment and fulfillment of purpose for which He created us God s original purpose for creating mankind was simply for us to enjoy relationship with Him the kind of fellowship that the first couple Adam and Eve enjoyed in the Garden of Eden when God walked with them in the cool of the evening Gen 3 8 Then sin entered the human experience and separated all mankind from that divine fellowship But when we place our faith in Christ s sacrifice for our sin we are redeemed by the blood of Christ and justified in the sight of God But that is not the end of the matter it is only the beginning God s intention is that we be completely restored spirit soul and body to the divine rest found in His redemption He wants us to experience that mystery of intimate communion with our Creator Redeemer In this book we will discuss four important aspects of fulfilling the deepest desire of the human heart to know God personally and intimately in the way God s great loving heart intended To know the love of God that brings true heart contentment we need to walk in the understanding of these divine principles The biblical basis for all prayer is resting in His redemption The biblical basis for all Christian living is resting in His redemption The biblical basis for total forgiveness is resting in His redemption The biblical basis for divine contentment is resting in His redemption Your life can be transformed when you allow Him to make them a reality to your heart The love of God can fill your heart and make you a victorious lover of the Christ You will be ruined for any lesser temporal pleasure or love once you taste more deeply the wonders of resting in His redemption
