Magical Wishes - Written and Illustrated by Johnny Gruelle Johnny Gruelle, 2018-01-24 Raggedy Ann's Magical Wishes is written and illustrated by Johnny Gruelle. Gruelle 1880-1930 was an American artist and political cartoonist as well as a children's book illustrator and author. The books of The Raggedy Ann Series all feature their central protagonist with red yarn for hair and a triangle nose charting her considerable adventures. Gruelle created Raggedy Ann for his daughter Marcella when she brought him an old hand-made rag doll. He drew a face on it and from his bookshelf pulled a book of poems by James Whitcomb Riley combining the names of two poems: The Raggedy Man and Little Orphant Annie. From this moment on the much-loved children's series went from strength to strength. Sought after by collectors, this re-printed edition showcases Gruelle's original text further enhanced by his wonderful colour drawings in order that the two may be fully appreciated by young and old alike.

Indiana Authors and Their Books, 1816-1916 Richard Elwell Banta, 1949. We realized that we were undertaking a task of large proportions when we began the compilation of a biographical and bibliographical list of Hoosiers who had published books during the first century of Indiana's statehood. We knew that it was a forbidding project even after we had decided to exclude textbooks, news paper articles, contributions to periodicals or serials, state or federal publications and printings of speeches except when they were discourses presumably intended as much for the printed page as for the platform. But still we failed to realize the extent of the flowering of the art of letters in our state. For there has been and there still remains something in this rich imperturbable Middle West which causes its true citizen to contemplate the things which interest him and to cherish a desire to put his observations on paper. My First Raggedy Ann, 2002. Raggedy Ann and Raggedy Andy finally recover the magical wishing pebble which had been stolen from them.
