Rationing Constructed Realities And Professional Practices

Stephen Duckett

Rationing Constructed Realities And Professional Practices:

Rationing David Hughes, Donald Light, 2002-03-29 This volume contributes to the ongoing debate about healthcare rationing by bringing together case studies of resource allocation at different levels of the healthcare system Drawing on research from the United Kingdom Europe and North America it examines issues such as prioritisation and access to care in a range of hospital and community settings

Rationing Medical Care on the Basis of Age Eric Matthews, Elizabeth Russell, 2018-10-08 Rationing Medical Care on the Basis of Age explores this highly topical issue and presents a critical argument on the nature of the possible crisis Its in depth philosophical analysis of the main ethical positions adopts an interdisciplinary and international approach This book is important reading for healthcare policy makers and shapers and healthcare managers Academics in ethics philosophy economics and all healthcare disciplines will find it useful as will public health specialists health economists and social scientists with an interest in health and medicine The authors of this book have opened up significant new perspectives on many important issues which in practice confront politicians managers professionals patients and the public today They have done this moreover in a way that is highly accessible to a non specialist readership

The Sociology of Health and Illness Michael Bury, Jonathan Gabe, 2013-07-23 A wide ranging collection of both classic writings and more recent articles in the sociology of health and illness this reader is organized into the following sections health beliefs and knowledge inequalities and patterning of health and illness professional and patient interaction chronic illness and disability evaluation and politics in health care With a thorough introduction which sets the scene for the field as a whole and section introductions which contextualize each chapter the reader includes a number of different perspectives on health and illness is international in scope and will provide an invaluable resource to students across a wide range of courses in sociology and the social sciences

The Sociology of Healthcare Safety and Quality Davina Allen, Jeffrey Braithwaite, Jane Sandall, Justin Waring, 2016-09-08 The Sociology of Healthcare Safety and Quality presents a series of research informed readings on the sociological contributions of technologies practices experiences and organizational quality and safety across a range of healthcare contexts Represents the first collection of peer reviewed research articles showcasing ways that sociology can contribute to the ongoing policy concern of healthcare safety and quality Features original contributions from leading experts in healthcare related fields from three continents Reveals the state of the art in sociological analyses of contemporary healthcare safety and quality along with future directions in the field Offers sociological insights from the perspectives of managers clinicians and patients

From Health Behaviours to Health Practices Simon Cohn, 2014-07-01 A wide range of international contributions draw on theoretical and empirical sources to explore whether alternatives exist to both conceptualise and conduct research into what people do and don't do in relation to their health and experiences of illness Presents a collection of international contributions that complement as well as critique dominant conceptualisations of health behaviour Includes a wide range of both theoretical perspectives and empirical cases

Reasserts the unique contribution social sciences can make to health research Challenges assumptions about the usefulness of the concept of health behaviour A timely publication given the rise of chronic and lifestyle diseases and the resulting changes in global health agendas

Complexity and Healthcare Organization David Kernick, 2018-04-19 Statistics and evidence based medicine are assessed in most postgraduate and undergraduate medical examinations and degrees in health sciences All clinicians have to acquire skills in this area This book aims to provide a brief overview of basic medical statistics and the numerical aspects of evidence based medicine to give realistic worked examples to illustrate the interpretation of studies relevant to clinical practice and to allow examination practice It aims to cover all major topics covered in the undergraduate and postgraduate examinations Each chapter begins with an overview and summary of the main points followed by worked examples and exercises with full answers It will be ideal for all postgraduate medical examination candidates Other clinicians and undergraduate students in medicine and health sciences will also find it useful

Medicine, Health and Society Hannah Bradby, 2012-02-13 Sharp bold and engaging this book provides a contemporary account of why medical sociology matters in our modern society Combining theoretical and empirical perspectives and applying the pragmatic demands of policy this timely book explores society's response to key issues such as race gender and identity to explain the relationship between sociology medicine and medical sociology Each chapter includes an authoritative introduction to pertinent areas of debate a clear summary of key issues and themes and dedicated bibliography Chapters include social theory and medical sociology health inequalities bodies pain and suffering personal local and global Brimming with fresh interpretations and critical insights this book will contribute to illuminating the practical realities of medical sociology This exciting text will be of interest to students of sociology of health and illness medical sociology and sociology of the body Hannah Bradby has a visiting fellowship at the Department of Primary Care and Health Sciences King's College London She is monograph series editor for the journal Sociology of Health and Illness and co edits the multi disciplinary journal Ethnicity and Health

Human Behavior Theory and Applications Elizabeth DePoy, Stephen French Gilson, 2011-09-21 In Human Behavior Theory and Applications authors Elizabeth DePoy and Stephen Gilson use a critical thinking approach to engage students to think in depth about theory and its use in social work practice With a strong focus on diversity this book expands its theory coverage to include progressive and the most cutting edge contemporary thinking The authors skillfully introduce theory critically examine each theory including developmental theories environmental theories diversity theories systems theories and new and emerging theories and then apply each theory to social work practice providing a synthesis of classical and contemporary theory for scholarly analysis and application to professional intellectual and social action

Materialities of Care Christina Buse, Daryl Martin, Sarah Nettleton, 2018-09-04 *Materialities of Care* addresses the role of material culture within health and social care encounters including everyday objects dress furniture and architecture Makes visible the mundane and often unnoticed aspects of material culture and attends to

interrelations between materials and care in practice Examines material practice across a range of clinical and non clinical spaces including hospitals hospices care homes museums domestic spaces and community spaces such as shops and tenement stairwells Addresses fleeting moments of care as well as choreographed routines that order bodies and materials Focuses on practice and relations between materials and care as ongoing emergent and processual International contributions from leading scholars draw attention to methodological approaches for capturing the material and sensory aspects of health and social care encounters The Human Experience Elizabeth DePoy, 2007 The Human Experience examines analyzes and applies theories of humans environments and human environment interaction to professional thinking and action The authors highlight tacit values and assumptions that underlie theory generation and application to professional practice and challenge the reader to answer two questions how do we know and what do we do with our knowledge Significant critical emphasis is devoted to diversity of humans and environments and the value perimeter in which professionals think and act **The Health Debate** David J. Hunter, 2016-01-13 Focusing on the British NHS this book reviews some of the key contemporary debates concerning health systems and how they have shaped the way that health care has and is evolving **Comparative Health Policy In The Asia Pacific** Gauld, Robin, 2004-12-01 Dr Gauld s collection of case studies is informative and accessible I would recommend it as a central text for a course in comparative health systems Political Studies Review Based upon research from eight countries in the Asia Pacific Australia China Hong Kong Japan New Zealand Singapore South Korea Taiwan this book analyses and compares their differing health policies Key issues the book probes include The ways that health care is financed and delivered across the region The historical and institutional arrangements that impact upon health policy and health care How the health systems differ between the countries under study How policymakers and service providers deal with unlimited demand and limited funding and issues such as service coverage and quality How pharmaceuticals and population health strategies are managed What the roles of the state and various other players such as the private sector and professional associations are in the making of health policy and delivery of health care The challenges that lie ahead for health care and health policy in the region Comparative Health Policy in the Asia Pacific is key reading for students researchers and policy makers with an interest in health policy It is relevant to those studying medicine and health studies anthropology history sociology public policy politics and Asian studies Technogenarians Kelly Joyce, Meika Loe, 2011-08-02 Technogenarians investigates the older person s experiences of health illness science and technology It presents a greater theoretical and empirical understanding of the biomedical aspects of aging bodies minds and emotions and the rise of gerontechnology industries and professions A unique scholarly investigation into elders as technology users Emphasizes the need to put aging science and technology in the center of analyses of health and illness Explores the rise of gerontechnology industries and professions Offers a critical study of the transformation of aging bodies minds and emotions into medical problems in need of medical solutions Combines two

scholarly areas Science and Technology Studies and the Sociology of Aging Health and Illness to produce innovative scholarship

Healthcare Funding and Christian Ethics Stephen Duckett, 2023-01-26 Healthcare has an impact on everyone and healthcare funding decisions shape how and what healthcare is provided In this book Stephen Duckett outlines a Christian biblically grounded ethical basis for how decisions about healthcare funding and priority setting ought to be made Taking a cue from the parable of the Good Samaritan Luke 10 25 37 Duckett articulates three ethical principles drawn from the story compassion as a motivator inclusivity or social justice as to benefits and responsible stewardship of the resources required to achieve the goals of treatment and prevention These are principles he argues that should underpin a Christian ethic of healthcare funding Duckett's book is a must for healthcare professionals and theologians struggling with moral questions about rationing in healthcare It is also relevant to economists interested in the strengths and weaknesses of the application of their discipline to health policy

The Sociology of Medical Screening Natalie Armstrong, Helen Eborall, 2012-06-12 The Sociology of Medical Screening Critical Perspectives New Directions presents a series of readings that provide an up to date overview of the diverse sociological issues relating to population based medical screening Features new research data in most of the contributions Includes contributions from eminent sociologists such as David Armstrong Stefan Timmermans and Alison Pilnick Represents one of the only collections to specifically address the sociology of medical screening

Children, Health and Well-being Geraldine Brady, Pam Lowe, Sonja Olin Lauritzen, 2015-09-08 This book brings together new and leading scholars who demonstrate the importance of research with children and from a child perspective allowing for a fuller understanding of the meaning and impact of health and illness in children's lives Demonstrates the importance of research with children and research from a child perspective in order to fully understand the meaning and impact of health and illness in children's lives Encourages critical reflection on contemporary health policy and its relationships to culturally specific ways of knowing and understanding children's health Brings together new and leading scholars in the field of children's health and illness Moves the highly important issue of children's health into the mainstream sociology of health and illness

Pharmaceuticals and Society Simon J. Williams, Jonathan Gabe, Peter Davis, 2009-02-09 Drawing on the latest international sociological research this monograph takes a critical look at contemporary developments discourses and debate on pharmaceuticals and society Key issues covered include pharmaceuticals and medicalization and the science and politics of drug development testing and regulation Investigates the constructions of pharmaceuticals in professional and popular culture and the meaning and use of medications in everyday life Investigates pharmaceutical consumerism and citizenship and the impact of innovation and expectations regarding pharmaceutical futures Written in a lively accessible style with many engaging and important insights from key international figures in the field

Communication in Healthcare Settings Alison Pilnick, Jon Hindmarsh, Virginia Teas Gill, 2010-03-19 This book presents an international snapshot of communication in healthcare settings and examines how policies procedures

and technological developments influence day to day practice Brings together a series of papers describing features of healthcare interaction in settings in Australasia the U S A continental Europe and the UK Contains original research data from previously under studied settings including professions allied to medicine telephone mediated interactions and secondary care Contributors draw on the established conversation analytic literature on healthcare interaction and broaden its scope by applying it to professionals other than doctors in primary care Examines how issues relating to policy procedure or technology are negotiated and managed throughout daily healthcare practice

Ageing, Dementia and the Social Mind Paul Higgs, Chris Gilleard, 2017-09-05 A groundbreaking exploration of the sociology of dementia with contributions from distinguished international scholars and practitioners Organised around the four themes of personhood care social representations and social differentiation Provides a critical look at dementia and demonstrates how sociology and other disciplines can help us understand its social context as well as the challenges it poses Contributing authors explore the social terrain responding in part to Paul Higgs and Chris Gilleard's highly influential work on ageing Breaks new ground in giving specific attention to the social and cultural dimensions of responses to dementia

Pandemics and Emerging Infectious Diseases Robert Dingwall, Lily M. Hoffman, Karen Staniland, 2013-06-21 Infectious disease pandemics are a rising threat in our globalizing world This agenda setting collection provides international analysis of the pressing sociological concerns they confront us with from cross border coordination of public health governance to geopolitical issues of development and social equity Focuses on vital sociological issues raised by resurgent disease pandemics Detailed analysis of case studies as well as broader systemic factors Contributions from North America Europe and Asia provide international perspective Bold agenda setting treatment of a high profile topic

Rationing Constructed Realities And Professional Practices Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rationing Constructed Realities And Professional Practices free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rationing Constructed Realities And Professional Practices free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rationing Constructed Realities And Professional Practices free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rationing Constructed Realities And Professional Practices. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rationing Constructed Realities And Professional Practices any PDF files. With these platforms, the world of PDF downloads is just a click away.
