Reach Baseball Guide 1896:

Reach Baseball Guide 1896 ,1990-03-01 The reach ,1912 Nineteenth Century Baseball Marshall D. Wright,2004-01-23 In March 1871 ten of the United States most powerful professional baseball clubs met in Brooklyn New York Out of that meeting came the sport s first major league the National Association of Professional Baseball Players The Philadelphia Athletics with a record of 21 7 captured the new circuit s first championship From the National Association through the American League s inaugural season in the final year of the century this work is a year by year statistical history of the teams and players of the nineteenth century s major leagues The teams are listed by league with full rosters and complete statistics for each player An introductory section for each year places the league in historical perspective Exhaustive team and player indexes are also included **The Publishers Weekly** ,1922 **The Publishers Weekly** ,1946

Subject Guide to Books in Print ,1975 **West Virginia Baseball** William E. Akin,2006-07-20 West Virginia sprang into existence as a state in the midst of the Civil War and base ball as it was called then was close on the heels of statehood A game in 1866 hosted by the Hunkidori Base Ball Club in Wheeling is considered the first match game of Base Ball Some historians contend the game spread via the movement of soldiers who were from urban areas The real roots of baseball are not the romantic image of rural boys in sandlots or lazy father son afternoons It was born and came of age as an urban sport a social pursuit of well heeled young men that in the early days often involved banquets and shows following each game The author traces the history of minor league and independent league baseball in West Virginia Baseball below the minor leagues has a rich and comparatively unexplored history and West Virginia has made substantial contributions to this legacy Chapters examine the chronological history of baseball and the larger economic and cultural changes that have influenced it Eras include baseball as a social game through 1873 the emergence of professional baseball through 1895 its second boom through 1905 the deadball era through 1920 the Martinsburg dynasty 1914 to 1934 as a miners sport 1920 to 1941 the Middle Atlantic League 1925 1942 the Mountain State League 1937 1942 the postwar years 1945 1955 the nadir 1955 1985 and A Minor Miracle 1985 2000 a chapter that heralds a comeback in the popularity of professional baseball *Cap Anson 2* Howard W. Rosenberg,2004 This is the definitive biography of the Hall of Fame player who was the most likely model if any single player was for the title character in Ernest Thayer s 1888 poem Casey at the Bat A year earlier Mike Kelly became famous when Chicago sold him to Boston for a then record price of 10 000 about 200 000 today Until the final year of his life 1894 he drew exceptionally colorful and informative coverage *America Through Baseball* David Quentin Voigt,1976 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com **The Red Stockings of Cincinnati** Stephen D. Guschov,2015-11-12 In early 1869 Harry Wright of the Cincinnati Base Ball Club made an announcement to the sporting press the Red Stockings would be the first all professional club in the history of the game The outcry could be heard in nearly every town in which the sport was played Wright however paid little heed to their protests

and went about his business of signing players By the start of the season he had inked ten players to contracts with salaries ranging from 600 to 1 400 annually By June of 1870 the Red Stockings had compiled a 90 game winning streak and were recognized as the finest team in the game How the Red Stockings were formed who the players were and why things came to an end are all fully covered in this detailed history *The New York Giants Base Ball Club* James D. Hardy, Jr.,2015-08-13 Though baseball would eventually come to embody the American spirit in the nineteenth century onlookers regarded the game with some ambivalence To capture the hearts of the public baseball needed teams worth watching and no team was a better ambassador for baseball in the 19th century than the New York Giants The pre John McGraw Giants were occasionally very good and frequently very fashionable but they had not yet become the trademark team of the National League that they would become in the early 20th century The Giants were however one of the league s premier teams simply because they played in the country s premier city New York and its Giants epitomized the rise of industrialized America and the need for organized spectator diversions Together the city and the team helped propel baseball into its position as the national pastime

Harry Wright Christopher Devine,2010-07-27 Every magnate in the country is indebted to Harry Wright for the establishment of baseball as a business and every patron for fulfilling him with a systematic recreation Every player is indebted to him for inaugurating an occupation in which he gains a livelihood and the country at large for adding one more industry to furnish employment The Reach Guide 1896 This full length biography resurrects perhaps baseball s foremost unrecognized legend The Father of Professional Base Ball Hall of Famer Harry Wright The son of a premier cricketer Sam Wright Harry converted together with his Hall of Fame brother George to baseball after emigrating to America from England Harry Wright went on to become one of baseball s most successful players managers and innovators Among his lasting contributions to the game were not only the implementation of spring training doubleheaders and the modern uniform but the advent of professionalism which contemporaries contended never would have been successfully established without him Drawing on contemporary sources including his own papers this book covers all of Wright s life his arrival in America his experiences with the undefeated Cincinnati Red Stockings of 1869 70 his relationship with his wives and children his experiences in Boston Providence and Philadelphia his death at age 60 in 1895 and his election to the Hall of Fame in 1953
