friends and colleagues into the long and fraught political background Williams powerful memoir brings to life the realities of the Palestinian Israeli conflict She vividly recalls giving birth to her fourth child during the siege of Bethlehem and her horror when a suicide bomber blew his own head into the schoolyard where her children played each day Understanding in her judgment yet unsparing in her honesty Williams exposes the humanity as well as the hypocrisy at the heart of both sides experiences Anyone wanting to understand this intractable and complex dispute will find this unique account a refreshing and an illuminating read
