Every Teacher's Guide to Working With Parents Gwen L. Rudney, 2005-06-23 Educator and parent Gwen Rudney offers straightforward strategies and suggestions to help teachers collaborate with parents to improve life and learning for all children

**Reaching Out** Diane W. Kyle, Ellen McIntyre, Karen B. Miller, Gayle H. Moore, 2002-07-19 The timing for Reaching Out could not have been better Just when educators are beginning to realize that teachers need training in how to work with parents Kyle McIntyre Miller and Moore bring us a book that is a welcome breath of fresh air Patricia A Edwards Professor of Language and Literacy Michigan State University Reaching Out describes a great variety of ways to respectfully and productively engage families in helping their children learn and grow Throughout the text the reader is reminded that parents are experts about their children and that trusting relationships are built on respectful two way communications The authors also remind us that the goal of family involvement is not parent participation at school events and activities but improved student achievement Steve McCafferty Principal Mildred Dean School Newport KY Involve families in the education process and enhance your students learning experience Too often today s student feels alienated from school and learning suffers as a result Developing a relationship with the family can provide the missing link in the educational chain Reaching Out is an invaluable resource for compassionate educators interested in building strong relationships with their students families A dynamic team of teachers and teacher educators have combined their first hand experience and in depth research in this essential guidebook By involving the entire family in the educational experience teachers can bridge the gap separating home and school and help produce happier healthier and smarter kids Highlights include Building trust with families Communicating in positive ways with students families Implementing family workshops Involving families through innovative homework ideas Based on a five year study the information will be particularly helpful for teachers whose classrooms reflect a diverse student population By incorporating these concepts and techniques you not only enhance the learning experience you also help your students to be more compassionate and excited about school
