The Kindergarten Child and Reading Lloyd O. Ollila,1977 In an effort to enable kindergarten teachers to make wise decisions regarding appropriate reading skill development and instructional strategies and materials for kindergarten children this book was developed by IRA s Early Childhood and Reading Development Committee The book builds a historical and research base moves to child development then on to specific ideas for teaching reading to a kindergartner The major emphasis throughout is upon the kindergarten child and reading which might be appropriate for him or her rather than upon the identification of reading skills which all kindergartners must develop The research and ideas tie readily into the decisions a kindergarten teacher must make concerning reading instruction This book provides a base of information for the kindergarten teacher and others concerned with the kindergartner parents first grade teachers and principals Harcourt School Publishers Storytown HSP,2005-12 **Resources in Education** ,1998-04 *Minutes of the Executive Committee, State Board of Education ...* California.
