Salinas,1976-06-30 The Spanish poet Pedro Salinas is a member of that group of brilliant and original poets called the Generation of 27 a group which includes Rafael Alberti Jorge Guillén Luis Cernuda Vicente Aleixandre and Federico García Lorca First published as *La voz a ti debida* in Madrid in 1933 Salinas sequence of seventy poems is his most famous work and is thought by many to be the best book of love poetry written in this century Willis Barnstone's translation makes it available as a whole for the first time in English As part of Spain's vanguard movement Salinas believed in reviving elements from earlier eras as is demonstrated by a title such as *Razón de amor* from the medieval *Sermon of Love* as well as *Largo Lamento* and *La voz a ti debida* from the Renaissance poet Garcilaso de la Vega Salinas shows a natural affinity with the intricate objectivity of the baroque poet Góngora and continues the Spanish mystical tradition while reaching the metaphysical through human love And though he learned much from earlier eras he is also very much of this century as is seen in his imagery of typewriters telephones and car radiators all deftly handled through a variety of poetic moods In fact few modern poets have so discerningly employed the external data of our experience as transformed through the emotions and imagination For Salinas Telegraph wires carry kisses He is by turns playful ironic sentimental and despairing leading us through love's sense of amazement humor tragedy Salinas confessional persona speaks with extraordinary power and the poems operate both individually and cumulatively Willis Barnstone's translation captures the changing tones of the poet's internal journey giving us a deep sense of the variety and poignancy found in the original *My Voice Because of You* has been accepted in UNESCO's series of translations of European literature **Augmented Reality Games II** Vladimir
