

"RIGHTS, NOT ROSES"

Unions and the Rise of
Working-Class Feminism, 1945-80

Dennis A. Deslippe

Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8

David Gold, Jessica Enoch

Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8:

Rights, Not Roses Dennis Deslippe, 2000 Although the most visible banners of feminism were carried by educated white collar professional women in fact working class women were a powerful force in the campaign for gender equality *Rights Not Roses* explores how unionized wage earning women led the struggle to place women s employment rights on the national agenda decisively influencing both the contemporary labor movement and second wave feminism Drawing on union records oral histories and legislative hearings and debates Dennis A Deslippe unravels a complex history of how labor leaders accommodated and resisted working women s demands for change Through case studies of unions representing packinghouse and electrical workers Deslippe explains why gender equality emerged as an issue in the 1960s and how the activities of wage earning women in and outside of their unions shaped the content of the debate He also traces the faultlines between working class women who sought gender equality within the parameters of unionist principles such as seniority and middle class women who sought an equal rights amendment that would guarantee an abstract equality for all women A thoughtful and thorough study of working class feminism *Rights Not Roses* raises important questions about the meaning of equality for working women the connections of women to their unions the gendered nature of equal rights and more

Women at Work David Gold, Jessica Enoch, 2019-08-21 *Women at Work* presents the field of rhetorical studies with fifteen chapters that center on gender rhetoric and work in the US in the nineteenth and twentieth centuries Feminist scholars explore women s labor evangelism in the textile industry the rhetorical constructions of leadership within women s trade unions the rhetorical branding of a twentieth century female athlete the labor activism of an African American blues singer and the romantic same sex collaborations that supported pedagogical labor *Women at Work* also introduces readers to rhetorical methods and approaches possible for the study of gender and work Contributors name and explore a specific rhetorical concern that animates their study and in so doing readers learn about such concepts as professional proof rhetorical failure epideictic embodiment rhetorics of care and cross racial coalition building [Women and the United](#)

[States Constitution](#) Sibyl A. Schwarzenbach, Patricia Smith, 2003 Divided into three parts History Interpretation and Practice this provocative volume incorporates law history political theory and philosophy to analyze the U S Constitution as a whole in relation to the rights and fate of women [The Texas Left](#) David O'Donald Cullen, Kyle G. Wilkison, 2010-02-05 The Texas

Left Some would say the phrase is an oxymoron For most of the twentieth century the popular perception of Texas politics has been that of dominant conservatism punctuated by images of cowboys oil barons and party bosses intent on preserving a decidedly capitalist status quo In fact poor farmers and laborers who were disenfranchised segregated and depending on their ethnicity and gender confronted with varying levels of hostility and discrimination have long composed the other political heritage of Texas In *The Texas Left* fourteen scholars examine this heritage Though largely ignored by historians of previous decades who focused instead on telling the stories of the Alamo the Civil War the cattle drives and the oilfield

wildcatters this parallel narrative of those who sought to resist repression reveals themes important to the unfolding history of Texas and the Southwest Volume editors David O Donald Cullen and Kyle G Wilkison have assembled a collection of pioneering studies that provide the broad outlines for future research on liberal and radical social and political causes in the state and region Among the topics explored in this book are early efforts of women blacks Tejanos labor organizers and political activists to claim rights of citizenship livelihood and recognition from the Reconstruction era until recent times

Tidal Wave Sara Evans,2010-05-11 Forty years ago few women worked married women could not borrow money in their own names schools imposed strict quotas on female applicants and sexual harassment did not exist as a legal concept Yet despite the enormous changes for women in America since 1960 and despite a blizzard of books that continue to argue about women s proper place there has not been a serious definitive history of what happened until now Sara M Evans is one of our foremost historians of women in America Her book Personal Politics is a classic that captured the origins of the modern women s movement its successor Born for Liberty set the standard for sweeping histories of women In Tidal Wave Evans again sets the standard by drawing on an extraordinary range of interviews archives and published sources to tell the incredible story of the past forty years in women s history Encompassing both the so called Second Wave of feminism s initial explosion in the 1960s and 1970s and the Third Wave of the 1980s and 1990s she challenges traditional interpretations at every step She shows that the Second Wave was beset by fragmentation and infighting from the beginning its slogan the personal is political was both a rallying cry and the seed of its self destruction Yet the Third Wave has been surprisingly strong and almost all women today might be thought of as feminists in practice if not in name From national events and from leaders of institutions such as NOW and Emily s List to little known local stories of women who simply wanted more out of their lives only to discover that they were creating a movement Tidal Wave paints a vast canvas of a society in upheaval from politics to economics to popular culture to marriage and the family Today Evans argues the women s movement is as alive and vital as ever precisely because it has enjoyed such stunning success Though not all women are comfortable with the term feminist the vast majority hold jobs and enjoy previously unimaginable personal freedoms Never before in American or world history have women experienced full and equal citizenship and opportunity At last the extraordinary story can be told

Prescription for Heterosexuality Carolyn Herbst Lewis,2010-10-18 In *Prescription for Heterosexuality* Carolyn Herbst Lewis explores how medical practitioners especially family physicians situated themselves as the guardians of Americans sexual well being during the early Cold War years She argues that many doctors believed that a satisfying sexual relationship with very specific attributes and boundaries was the foundation of a successful marriage a source of happiness in the American family and a crucial building block of a secure nation Drawing on hundreds of articles and editorials in both medical journals and popular and professional literature Lewis traces how medical professionals affirmed certain heterosexual desires and acts while labeling others as unhealthy or deviant We Were Still Ladies Coreen Derifield,2025

Following World War II women living in small towns and on farms across the Midwest woke every morning and headed out for a long day of work in a nearby factory This transition into industrial work caused tremendous change within families and with household roles These alterations in daily life rippled throughout midwestern culture and society changing the landscape of small towns into decentralized industrial centers **A Power Among Them** Karen Pastorello, 2008 The extraordinary life of labor activist immigrant and feminist Bessie Abramowitz Hillman **Rethinking the American Labor Movement** Elizabeth Faue, 2017-04-28 Rethinking the American Labor Movement tells the story of the various groups and incidents that make up what we think of as the labor movement While the efforts of the American labor force towards greater wealth parity have been rife with contention the struggle has embraced a broad vision of a more equitable distribution of the nation's wealth and a desire for workers to have greater control over their own lives In this succinct and authoritative volume Elizabeth Faue reconsiders the varied strains of the labor movement situating them within the context of rapidly transforming twentieth century American society to show how these efforts have formed a political and social movement that has shaped the trajectory of American life Rethinking the American Labor Movement is indispensable reading for scholars and students interested in American labor in the twentieth century and in the interplay between labor wealth and power

Freedom Is Not Enough Nancy MacLean, 2006 MacLean shows how African American and Mexican American civil rights activists and feminists concluded that freedom alone would not suffice access to jobs at all levels is a requisite of full citizenship This book chronicles the cultural and political advances that have irrevocably changed our nation over the past 50 years *Feminist Theory Reader* Carole R. McCann, Seung-kyung Kim, 2016-07-07 The fourth edition of the Feminist Theory Reader continues to challenge readers to rethink the complex meanings of difference outside of contemporary Western feminist contexts This new edition contains a new subsection on intersectionality New readings turn readers attention to current debates about violence against women sex work care work transfeminisms and postfeminism The fourth edition also continues to expand the diverse voices of transnational feminist scholars throughout with particular attention to questions of class Introductory essays at the beginning of each section bring the readings together provide historical and intellectual context and point to critical additional readings Five core theoretical concepts gender difference women's experiences the personal is political and intersectionality anchor the anthology's organizational framework New to this edition text boxes in the introductory essays add excerpts from the writings of foundational theorists that help define important theoretical concepts and content by Dorothy Sue Cobble Cathy Cohen Emi Koyama Na Young Lee Angela McRobbie Viviane Namaste Vrushali Patil and Jasbir Puar **Feminist Theory Reader** CAROLE MCCANN, Seung-kyung Kim, 2013-06-07 The third edition of the Feminist Theory Reader anthologizes the important classical and contemporary works of feminist theory within a multiracial transnational framework This edition includes 16 new essays the editors have organized the readings into four sections which challenge the prevailing representation of feminist movements as waves Introductory essays at the beginning

of each section lay out the framework that brings the readings together and provide historical and intellectual context. Instructors who have adopted the book can email SalesHSS@taylorandfrancis.com to receive test questions associated with the readings. Please include your school and location: state, province, county, country in the email. Now available for the first time in eBook format. 978 0 203 59831 3

The Great Society and the War on Poverty John R. Burch Jr., 2017-06-05. An ideal resource for students as well as general readers, this book comprehensively examines the Great Society era and identifies the effects of its legacy to the present day. With the assassination of President John F. Kennedy, Lyndon B. Johnson inherited from the Kennedy administration many of the pieces of what became the War on Poverty. In stark contrast to today, Johnson was aided by a U.S. Congress that was among the most productive in the history of the United States. Despite the accomplishments of the Great Society programs, they failed to accomplish their ultimate goal of eradicating poverty. Consequently, some 50 years after the Great Society and the War on Poverty, many of the issues that Johnson's administration and Congress dealt with then are in front of legislators today, such as an increase in the minimum wage and the growing divide between the wealthy and the poor. This reference book provides a historical perspective on the issues of today by looking to the Great Society period, identifies how the War on Poverty continues to impact the United States both positively and negatively, and examines how the Nixon and Reagan administrations served to dismantle Johnson's achievements. This single volume work also presents primary documents that enable readers to examine key historical sources directly. Included among these documents are The Council of Economic Advisers Economic Report of 1964, the Civil Rights Act of 1964, John F. Kennedy's Remarks Upon Signing the Economic Opportunity Act, The Negro Family: The Case for National Action, the Moynihan Report, and the Report of the National Advisory Commission on Civil Disorders, aka the Kerner Report.

Grassroots Feminism Tamar W. Carroll, 2007

Journal of Women's History, 2001

The War on Welfare Marisa Chappell, 2012-02-02. Why did the War on Poverty give way to the war on welfare? Many in the United States saw the welfare reforms of 1996 as the inevitable result of twelve years of conservative retrenchment in American social policy, but there is evidence that the seeds of this change were sown long before the Reagan Revolution and not necessarily by the Right. *The War on Welfare: Family Poverty and Politics in Modern America* traces what Bill Clinton famously called the end of welfare as we know it to the grassroots of the War on Poverty thirty years earlier. Marshaling a broad variety of sources, historian Marisa Chappell provides a fresh look at the national debate about poverty, welfare, and economic rights from the 1960s through the mid 1990s. In Chappell's telling, we experience the debate over welfare from multiple perspectives, including those of conservatives, of several types of liberal antipoverty experts, national liberal organizations, labor government officials, feminists of various persuasions, and poor women themselves. During the Johnson and Nixon administrations, deindustrialization, stagnating wages, and widening economic inequality pushed growing numbers of wives and mothers into the workforce. Yet labor unions, antipoverty activists, and moderate liberal groups fought to extend the fading promise of the family wage to poor

African Americans families through massive federal investment in full employment and income support for male breadwinners In doing so however these organizations condemned programs like Aid to Families with Dependent Children AFDC for supposedly discouraging marriage and breaking up families Ironically their arguments paved the way for increasingly successful right wing attacks on both welfare and the War on Poverty itself Reverend Addie Wyatt Marcia Walker-McWilliams,2016-09-30 Labor leader civil rights activist outspoken feminist African American clergywoman Reverend Addie Wyatt stood at the confluence of many rivers of change in twentieth century America The first female president of a local chapter of the United Packinghouse Workers of America Wyatt worked alongside Martin Luther King Jr and Eleanor Roosevelt and appeared as one of Time magazine s Women of the Year in 1975 Marcia Walker McWilliams tells the incredible story of Addie Wyatt and her times What began for Wyatt as a journey to overcome poverty became a lifetime commitment to social justice and the collective struggle against economic racial and gender inequalities Walker McWilliams illuminates how Wyatt s own experiences with hardship and many forms of discrimination drove her work as an activist and leader A parallel journey led her to develop an abiding spiritual faith one that denied defeatism by refusing to accept such circumstances as immutable social forces A Class by Herself Nancy Woloch,2017-02-28 A Class by Herself explores the historical role and influence of protective legislation for American women workers both as a step toward modern labor standards and as a barrier to equal rights Spanning the twentieth century the book tracks the rise and fall of women only state protective laws such as maximum hour laws minimum wage laws and night work laws from their roots in progressive reform through the passage of New Deal labor law to the feminist attack on single sex protective laws in the 1960s and 1970s Nancy Woloch considers the network of institutions that promoted women only protective laws such as the National Consumers League and the federal Women s Bureau the global context in which the laws arose the challenges that proponents faced the rationales they espoused the opposition that evolved the impact of protective laws in ever changing circumstances and their dismantling in the wake of Title VII of the Civil Rights Act of 1964 Above all Woloch examines the constitutional conversation that the laws provoked the debates that arose in the courts and in the women s movement Protective laws set precedents that led to the Fair Labor Standards Act of 1938 and to current labor law they also sustained a tradition of gendered law that abridged citizenship and impeded equality for much of the century Drawing on decades of scholarship institutional and legal records and personal accounts A Class by Herself sets forth a new narrative about the tensions inherent in women only protective labor laws and their consequences A Matter of Moral Justice Jenny Carson,2021-07-13 A long overlooked group of workers and their battle for rights and dignity Like thousands of African American women Charlotte Adelmond and Dollie Robinson worked in New York s power laundry industry in the 1930s Jenny Carson tells the story of how substandard working conditions racial and gender discrimination and poor pay drove them to help unionize the city s laundry workers Laundry work opened a door for African American women to enter industry and their numbers allowed women like Adelmond

and Robinson to join the vanguard of a successful unionization effort But an affiliation with the powerful Congress of Industrial Organizations CIO transformed the union from a radical community based institution into a bureaucratic organization led by men It also launched a difficult battle to secure economic and social justice for the mostly women and people of color in the plants As Carson shows this local struggle highlighted how race and gender shaped worker conditions labor organizing and union politics across the country in the twentieth century Meticulous and engaging *A Matter of Moral Justice* examines the role of African American and radical women activists and their collisions with labor organizing and union politics

Render Unto God James Newton Poling, 2012-03-01 What marks principles and values from our study of Jesus can guide our reflections about the church and its witness in a world of economic injustice What kinds of principles ought to be part of an ecclesiology in a world where family violence is epidemic So asks author James Poling in his exploration of the role of faith and religious practice as a resource for those who are economically vulnerable to domestic violence In this groundbreaking work Poling focuses his research on women and children in working class and poor communities of three cultures analyzing the forces that define and sustain economic vulnerability and detailing how such vulnerability affects the daily lives of people within these communities He looks at how the church can function as a source of healing and empowerment for persons who are trapped by domestic violence and economic vulnerability and develops models for prevention of violence and of practical ministry for pastoral care of the victims and perpetrators

Adopting the Track of Term: An Psychological Symphony within **Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8**

In some sort of used by monitors and the ceaseless chatter of instant communication, the melodic beauty and psychological symphony created by the prepared term frequently fade into the backdrop, eclipsed by the constant sound and interruptions that permeate our lives. But, located within the pages of **Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8** a charming fictional treasure brimming with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that charming masterpiece conducts visitors on an emotional journey, well unraveling the hidden songs and profound affect resonating within each carefully crafted phrase. Within the depths of this touching evaluation, we shall examine the book is key harmonies, analyze their enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rights Not Roses Unions And The Rise Of Working Class Feminism 1945 8 Books
