Here the champion ice climber presents the same techniques and veteran wisdom he imparts to those who attend his annual clinics. These include step-by-step instructions for the swing ice axe, the kick footwork, and putting it all together, tracking how to read ice to select your line and follow it safely, and drytool techniques for mixed climbing. Training exercises and inspirational stories complete this seminal guide. Will Gadd won every major ice competition in the world in 1998 and 1999, as well as the 2000 Ice World Cup. A resident of Canmore, Alberta, he has written for *Climbing* and *Rock Ice* among other publications.
