China's Soft Power Diplomacy in South Asia B. M. Jain, 2017-06-06 China's Soft Power Diplomacy Myth or Reality examines the Chinese version of soft power both in conceptual and operational terms and explores its myriad implications for India in particular and South Asia in general The book investigates how the institutionalization of cultural soft power would help China project its image as a benign and responsible stakeholder in order to reshape the current international system with its notion of harmonious world order based on Chinese characteristics This book traces the origin of China's engagement with South Asian states from historical political economic and security perspectives in order to better understand the dynamics of its South Asia policy It illuminates the core reasons to explain why China's soft power initiatives in South Asia are least appealing and convincing to India while they are welcomed by smaller nations of the region More pertinently the book addresses complexities and nuances of China's soft power instruments given the psycho cultural and geopsychological peculiarities of the South Asian region For this it focuses on how the Sino Pakistan axis constitutes a potential challenge to India's leadership role and influence in South Asia

Zones of Amity, Zones of Enmity James Sperling, Yogendra Malik, David Louscher, 2021-11-15 This volume addresses the problem of military and economic cooperation in the Asia Pacific particularly the impact of the end of the Cold War on the evolution of its four regional subsystems Australasia Southern Asia Southeast Asia and Northeast Asia the level of institutionalization in its economic and military dimensions and the tendency towards regional amity or regional enmity It investigates the regional institutions of military and economic security organizing the interstate relations of the Asia Pacific assesses the military and economic ambitions of China Japan and the United States and suggests that the clash of civilizations thesis is of limited use in understanding the dynamics of interstate relations in this centrally important area of the world Contributors are Shigekio N Fukai Haruhiro Fukui Norman A Graham Steven A Hoffmann Jim Rolfe Sheldon Simon James Sperling and Robert M Uriu

Asian Studies, 1991 **The European Union and Emerging Powers in the 21st Century** Sven Biscop, 2016-02-11 The emergence of new powers fundamentally questions the traditional views on international relations multilateralism or security as a range of countries now competes for regional and global leadership economically politically technologically and

militarily As the focus of international attention shifts from the Atlantic to the Pacific the European states in particular are seen to lose influence relative to the emerging economic powerhouses of China Russia India and Brazil European nations find themselves too small to engage meaningfully with these continent sized powers and in an increasingly multipolar world are concerned their influence can only continue to decline This book analyses the shifts in the structure of global power and examines the threats and opportunities they bring to Europe Leading European Contributors reflect on how the EU can utilise collective strength to engage and compete with rapidly developing nations They examine perceptions of the EU among the emerging powers and the true meaning and nature of any strategic partnerships negotiated Finally they explore the shape and structure of the international system in the 21st century and how the EU can contribute to and shape it *India's Foreign Policy and Regional Multilateralism* Arndt Michael, 2013-02-07 The book provides a novel analytical perspective on regional multilateralism in South Asia and its neighbouring regions and covers the genesis evolution and status quo of the four major regional organizations **The Pearson Guide to the Combined Defence Services Examination** Thorpe,
