Books in Print Supplement ,2002 The Secret Language of Successful Couples Bill Farrel,Pam Farrel,2014-02-01

Why is it so hard for married couples to get in sync with each other How is it that your mate can be a source of joy and of frustration all on the same day Marriages operate by a secret language a collection of key words actions insights and attitudes that determine how a couple s relationship works If that language is uncovered love grows and flourishes If that language remains a mystery love gets buried behind misunderstandings and irritations Bill and Pam Farrel authors of the bestselling Men Are Like Waffles Women Are Like Spaghetti offer biblical and practical insight into this language that God has programmed into each married couple Laced with the Farrels trademark humor The Secret Language of Successful Couples is packed with ideas to help couples connect at a richer deeper level As both partners grow in relationship with God and rely on the Spirit for insights into the heart of their mate they can replace their old selfish languages with a new one that leads to greater intimacy in every area of life Rerelease of The Marriage Code **God and the Goddesses** Barbara

Newman,2016-01-14 Contrary to popular belief the medieval religious imagination did not restrict itself to masculine images of God but envisaged the divine in multiple forms In fact the God of medieval Christendom was the Father of only one Son but many daughters including Lady Philosophy Lady Love Dame Nature and Eternal Wisdom God and the Goddesses is a study in medieval imaginative theology examining the numerous daughters of God who appear in allegorical poems theological fictions and the visions of holy women We have tended to understand these deities as mere personifications and poetic figures but that Barbara Newman contends is a mistake These goddesses are neither pagan survivals nor versions of the Great Goddess constructed in archetypal psychology but distinctive creations of the Christian imagination As emanations of the Divine mediators between God and the cosmos embodied universals and ravishing objects of identification and desire medieval goddesses transformed and deepened Christendom s concept of God introducing religious possibilities beyond the ambit of scholastic theology and bringing them to vibrant imaginative life Building a bridge between secular and religious conceptions of allegorized female power Newman advances such questions as whether medieval writers believed in their goddesses and if so in what manner She investigates whether the personifications encountered in poetic fictions can be distinguished from those that appear in religious visions and questions how medieval writers reconcile their statements about the multiple daughters of God with orthodox devotion to the Son of God Furthermore she examines why forms of feminine God talk that strike many Christians today as subversive or heretical did not threaten medieval churchmen Weaving together such disparate texts as the writings of Latin and vernacular poets medieval schoolmen liturgists and male and female mystics and visionaries God and the Goddesses is a direct challenge to modern theologians to reconsider the role of goddesses in the Christian tradition Into His Presence Tim L. Anderson,2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base

their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God's Trinitarian union the fall God's fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture *Directory of Religious Organizations in the United States* J. Gordon Melton, 1993 **When Misfits Become Kings** Mark Casto, 2015 It's the story of a generation disqualified in the eyes of society Misunderstood Misinformed These misfits wander the world missing both a plan and a purpose never realizing that their destiny is divine But it's not just the story of this generation it's the condition of us all At some point every person has felt disconnected unqualified and alone But there is good news Your God designed destiny is not controlled by your background or social or economic status It is unlocked through secret intimacy with the creator of your future That's where misfits become kings Mark Casto helps you gain a new perspective on your out of place life Learn how to discard the misfit pieces and fill that void with identity and purpose found in God's presence You will see how God can turn irrelevance into royalty and how rejection can lead to a coronation There is a plan You have a destiny that was designed just for you
