## **Security Policy Dynamics Effects Of Contextual Determinants To South Korea:**

Security Policy Dynamics Byung-ok Kil,2017-10-05 This title was first published in 2001 Byung ok Kil s thorough analysis deals with both the broad area of public policy and the specific topic of national security policy change in Korea Using an historical comparative approach he tests the relative importance of international and domestic developments as determinants of security policy change Drawing extensively on carefully selected sources of quantitative and qualitative data including original documents and interviews this engaging text is of theoretical methodological and applied policy relevance to the academic community and of substantive interest to a broader audience of governmental officials in national security and related policy areas

**Military Strategy of Middle Powers** Håkan Edström,Jacob Westberg,2020-10-15 Military Strategy of Middle Powers explores to what degree twenty first century middle powers adjust their military strategies due to changes in the international order such as the decline in US power The overarching objective of the book is to explain continuity and change in the strategies of a group of middle powers during the twenty first century These strategies are described compared and explained through the lens of Realism In order to find potential explanations for change or continuity within the cases as well as for similarities and differences between the cases the strategies of 11 middle powers are analysed Canada Germany Italy Spain Australia Brazil Indonesia South Africa India Japan and South Korea This group of countries are considered similar in several important aspects primarily regarding relative power capacity When searching for potential explanations for different strategic behaviours among the middle powers their unique regional characteristics are a key focus and consequently the impact of the structure and polarity as well as the patterns of amity and enmity of the regional context are analysed The empirical investigation is focused on security strategies used since the terrorist attacks 9 11 2001 which was one of the first major challenges to US hegemony This book will be of much interest to students of military and strategic studies foreign policy and International Relations in general *The Korean Journal of Policy Studies* ,2001 **PAIS**

*Strategic Adjustment and the Rise of China* Robert S. Ross,Øystein Tunsjø,2017-06-20 Strategic Adjustment and the Rise of China demonstrates how structural and domestic variables influence how East Asian states adjust their strategy in light of the rise of China including how China manages its own emerging role as a regional great power The contributors note that the shifting regional balance of power has fueled escalating tensions in East Asia and suggest that adjustment challenges are exacerbated by the politics of policymaking International and domestic pressures on policymaking are reflected in maritime territorial disputes and in the broader range of regional security issues created by the rise of China Adjusting to power shifts and managing a new regional order in the face of inevitable domestic pressure including nationalism is a challenging process Both the United States and China have had to adjust to China s expanded capabilities China has sought an expanded influence in maritime East Asia the United States has responded by consolidating its alliances and expanding its naval presence in East Asia The region s smaller countries have also adjusted to the rise of China They have sought greater cooperation with China even as they try to sustain cooperation with the United States As China continues to rise and challenge the regional security order the contributors consider whether the region is destined to experience increased conflict and confrontation ContributorsIan Bowers Norwegian Defence University College and Norwegian Institute for Defence Studies Daniel W Drezner Tufts University Brookings Institution and Washington Post Taylor M Fravel Massachusetts Institute of Technology Bj rn Elias Mikalsen Gr nning Norwegian Defence University College and Norwegian Institute for Defence Studies Chung in Moon Yonsei University and Chairman Presidential Committee on Northeast Asia Cooperation Initiative Republic of Korea James Reilly University of Sydney Robert S Ross Boston College and Harvard
