Seek Reports From The Edges Of America And Beyond:

Seek Denis Johnson, 2009-03-03 Johnson writes with a fervor that can only be described as religious. *Seek* is scary and beautiful and ecstatic and uncontrolled; he elevates the mundane to the sublime; he boils things down to their essence. He is simply one of the few writers around whose sentences make you shudder. Adrienne Miller Esquire Part political disquisition part travel journal part self exploration. *Seek* is a collection of essays and articles in which Denis Johnson essentially takes on the world. And not an obliging easygoing world either but rather one in which horror and beauty exist in such proximity that they might well be interchangeable. Where violence and poverty and moral transgression go unchecked even unnoticed. A world of such wild rocketing energy that grasping it anything at all is possible. Whether traveling through war ravaged Liberia mingling with the crowds at a Christian Biker rally exploring his own authority issues through the lens of this nation's militia groups or attempting to unearth his inner resources while mining for gold in the wilds of Alaska Johnson writes with a mixture of humility and humorous candor that is everywhere present. With the breathtaking and often haunting lyricism for which his work is renowned Johnson considers in these pieces our need for transcendence. And as readers of his previous work know Johnson's path to consecration frequently requires a limning of the darkest abyss. If the path to knowledge lies in experience *Seek* is a fascinating record of Johnson's profoundly moving pilgrimage. *Settling the Borderland* Jan

Whitt, 2008-09-05 *Settling the Borderland* deals with the intimate connection between journalism and literature both fields in which work by women has been underrepresented. This book has a twin focus: the work of journalists who became some of the greatest novelists, poets and short story writers of the nineteenth and twentieth centuries in America, several of whom are men and contemporary journalists who best exemplify the effective use of literary techniques in news coverage. Although five women are emphasized here: Katherine Anne Porter, Eudora Welty, Joan Didion, Sara Davidson and Susan Orlean, three men whose work was profoundly influenced by journalism also are included: Edgar Allan Poe, Walt Whitman and John Steinbeck. They are well known as writers of poetry, short stories and novels but they too are among the other voices rarely included in studies of literary journalism. In *Settling the Borderland* Jan Whitt presents a thorough analysis of the increasingly indistinct lines between truth and fiction and between fact and creative narrative in contemporary media. **The Largesse of the**

Denis Johnson's nationally bestselling collection of blistering and indelible tales about America's outcasts and wanderers. Denis Johnson's now classic story collection *Jesus Son* chronicles a wild netherworld of addicts and lost souls, a violent and disordered landscape that encompasses every extreme of American culture. These are stories of transcendence and spiraling grief, of hallucinations and glories of getting lost and found and lost again. The insights and careening energy in *Jesus Son* have earned the book a place of its own among the classics of twentieth-century American literature. It was adapted into a critically praised film in 1999.

Sacred and Immoral Jeffrey A. Sartain, 2009-01-14 *Sacred and Immoral* On the Writings of Chuck Palahniuk edited by Jeffrey A. Sartain combines the efforts of an international list of writers to explore the depths of Chuck Palahniuk's fiction. Scholars have paid attention to Palahniuk's premiere novel *Fight Club* for years. *Sacred and Immoral* is the first anthology dedicated to scholarship focused on Palahniuk's work following *Fight Club*, which he has been producing at an average of a book a year for thirteen years. By collecting the work of an interdisciplinary group of scholars under a single cover, *Sacred and Immoral* extends the reach of Palahniuk scholarship beyond any previous publication. *Sacred and Immoral* provides the single most comprehensive and useful scholarly resource to date for anyone wishing to examine Chuck Palahniuk's fiction in an academic context. Some of the anthology's chapters situate Palahniuk's work within existing generic conventions, while other chapters are concerned with the theoretical underpinnings of Palahniuk's writing and the philosophical implications of his work. With eleven new critical analyses of Palahniuk's later novels, *Sacred and Immoral* drastically expands the range and depth of academic inquiry into Palahniuk's fiction, commensurate with the prominent and exciting position Palahniuk's work occupies in contemporary culture. *Sacred and Immoral* also includes a new interview with Chuck Palahniuk conducted by literary scholar Matt Kavanagh. Finally, *Sacred and Immoral* boasts the most complete primary and secondary bibliographies of Palahniuk-related materials to date. *Sacred and Immoral* is not an attempt to have the last word on Chuck Palahniuk's literature. Rather, this volume is a springboard for other projects that relate to Palahniuk's writings. The anthology provides a critical framework for Palahniuk's later literature that students, teachers, and researchers can use in their own classrooms and writing.

The Laughing Monsters Denis Johnson, 2014-11-04 Denis Johnson's New York Times bestseller *The Laughing Monsters* is a high-suspense tale of kaleidoscoping loyalties in the post-9/11 world that shows one of our great novelists at the top of his game. Roland Nair calls himself Scandinavian but travels on a U.S. passport. After ten years' absence, he returns to Freetown, Sierra Leone, to reunite with his friend Michael Adriko. They once made a lot of money here during the country's civil war and are curious to see whether good luck will strike twice in the same place. Nair has allowed himself to be drawn back to a region he considers hopeless. Adriko is an African who styles himself a soldier of fortune and who claims to have served at various times the Ghanaian army, the Kuwaiti Emiri Guard, and the American Green Berets. He's probably broke now, but he remains at thirty-six, as stirred by his own doubtful schemes as he was a decade ago. Although Nair believes some kind of money-making plan lies at the back of it all, Adriko's stated reason for inviting his friend

to Freetown is for Nair to meet Adriko's fiancée a grad student from Colorado named Davidia. Together the three set out to visit Adriko's clan in the Uganda-Congo borderland but each of these travelers is keeping secrets from the others. Their journey through a land abandoned by the future leads Nair, Adriko, and Davidia to meet themselves not in a new light but rather in a new darkness.
