Select Peaks Of Greater Yellowstone A Mountaineering History Guide:

Select Peaks of Greater Yellowstone Thomas Turiano, 2023 *Select Peaks of Greater Yellowstone* Thomas Turiano, 2003 A historical guidebook about mountaineering in the Greater Yellowstone region featuring detailed history and climbing route information on 107 of the region's greatest peaks **Travels in the Greater Yellowstone** Jack Turner, 2009-05-12 Award winning nature writer Jack Turner directs his attention to one of America's greatest natural treasures the Greater Yellowstone Ecosystem Comprised of two national parks three national wildlife refuges parts of six national forests and eleven wilderness areas Greater Yellowstone is a vast array of differing environments and geographies In a series of essays Turner explores this wonderland venturing on twelve separate trips in all seasons using various modes of travel hiking climbing skiing canoeing lakes floating rivers and driving his way across the landscape He treks down the Teton Range picks up the Oregon Trail in the Red Desert and floats the South Fork of the Snake River Along the way he encounters a variety of wildlife moose elk trout and wolves From the treacherous mountains in the dead of winter to lush river valleys in the height of fishing season his words and steps trace one of the most American of experiences exploring the West Turner who has lived in Grand Teton for three decades designates Greater Yellowstone as ground zero for the country's conflict between preservation and development At a time when the battle to preserve a wild and natural environment is relentless his accounts of the areas conflicts with alien species logging real estate oil and gas development are alarming A mixture of adventure nostalgia and Americana Turner's rare experiences and evocative writing transform the sights and sounds of Greater Yellowstone into an intimate narrative of travel through America's most beloved lands Praise for Teewinot Bursting with a sense of place a rewarding reading experience replete with ravishing observations of nature Publishers Weekly a measured luxuriance in the landscape a love song to the natural history of a place Turner's writing is muscular never swaggering and almost lyrical summoning a Teton Range in its rightful sublime austerity Kirkus Reviews Teewinot is a rare book The wonderful accounts of mountaineering serve as armature not only for Turner's meditative reverence for the Grand Tetons and his often evocative prose but also for an uncommon density of knowledge of place Peter Matthiessen author of *Tigers in the Snow* This is simply stated a wonderful and utterly engaging book Jim Harrison author of *Dalva* and *The Road Home* Each place must find its muse The Tetons have found theirs and his name is Jack Turner Terry Tempest Williams author of *Coyote's Canyon* **Atlas of Yellowstone** W. Andrew Marcus, 2022-01-11 The second edition of the award winning *Atlas of Yellowstone* contains 50% new material making it the authoritative reference for the world's first national park on its 150th anniversary The publication of the *Atlas of Yellowstone Second Edition* coincides with the 150th anniversary of the founding of Yellowstone National Park a major international event The atlas is an accessible

comprehensive guide that presents Yellowstone's story through compelling visualizations rendered by award winning cartographers at the University of Oregon Readers of this new edition of the Atlas of Yellowstone will explore the contributions of Yellowstone to preserving and understanding natural and cultural landscapes to informing worldwide conservation practices and to inspiring national parks around the world while also learning about the many struggles the park faces in carrying out its mission Ranging from Indigenous Americans and local economies to geysers and wildlife migrations from the life of one wolf to the threat of wildfires each page provides leading experts insights into the complexity and significance of Yellowstone Key elements of the atlas include More than 1 000 maps graphics and photographs Contributions from more than 130 experts Detailed topographic maps of Yellowstone and Grand Teton National Parks Exploration of Yellowstone National Park's influence over 150 years on conservation practice park management and American culture New detailed visualizations of wildlife that take advantage of modern GPS technology to track individual animals and entire herds Place name origins for Yellowstone and Grand Teton National Parks and the surrounding region

Up the Winds and Over the Tetons William F. Raynolds, 2012-06-15 In the late 1850s many of the most striking places in Wyoming Idaho and Montana had not yet been surveyed by any government expedition This book brings to life the expedition that first explored these regions As the last major government survey of the American West before the Civil War the Raynolds Expedition began in 1859 This highly readable daily journal of Captain William F Raynolds previously unpublished covers the most challenging period of that expedition from May 7 to July 4 1860 It describes what the Raynolds party did and saw while traveling from its winter quarters near today's Glenrock Wyoming up to the head of the Wind River through Jackson Hole and on to the Three Forks of the Missouri in southwestern Montana The party included legendary mountain man Jim Bridger geologist Ferdinand Hayden and artists Anton Sch nborn and James Hutton among the first to depict the Teton Range Historians travelers and outdoor enthusiasts will welcome this important addition to the literature of western exploration *Ho! For Wonderland* Lee H. Whittlesey, Elizabeth A. Watry, 2020-09 These stories by early Yellowstone Park visitors helped propel the popularity of this American wonderland *Wyoming History News*, 2006

Skiing, 2004-03 **Lead Like a Guide** Christopher I. Maxwell Ph.D., 2016-09-26 Discover the leadership strengths of world class mountain guides and see how developing and applying these principles can help you reach for the highest summits in work and in life This intriguing approach to business and personal success introduces six leadership strengths of world class mountain guides demonstrating social intelligence adopting a flexible leadership style empowering others facilitating the development of trust managing risk in an environment of uncertainty and seeing the big picture The premise is that these same strengths provide a valuable model in the workplace and other networks whether one is already in a leadership position or aspiring to get there The result of more than a decade of research combined with the author's personal experience the book explains how mountain guides coach people to reach for their highest goals in the most challenging

environments often enabling them to far exceed what they imagined possible The same principles can be applied in business and elsewhere To set readers on the right path the author explains six strengths of guides incorporating interviews and quotes from guides and expedition participants to illustrate leadership lessons and show how they can be successfully used off the slopes The book also provides a checklist of action steps readers can follow to foster skill development **Voices of Yellowstone's Capstone** Traute N.
