Sex For Christians The Limits And Liberties Of Sexual Living:

Sex for Christians Lewis B. Smedes,1994-06-09 Considered one of the definitive statements on sex and sexuality from a Christian perspective Sex for Christians offers frank yet compassionate discussion that is at once refreshingly open minded and strongly biblical This edition adds discussions of AIDS and talk of safe sex cohabitation homosexuality and the need to develop Christian strategies regarding sex

The Meaning of Sex Dennis P. Hollinger,2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world

Faithful Reason Andrew T. Walker,2024-05-15 Many evangelical Christians have faith in the Bible but struggle with confidence in its ethical principles Some believe that biblical morals are not as effective as secular ideologies in promoting human well being and societal progress Others feel that using the Bible as a basis for moral arguments lacks persuasive power in public discussions In Faithful Reason Natural Law Ethics for God s Glory and Our Good Andrew T Walker argues that developing a comprehensive Christian ethic is not simply a matter of appealing to biblical authority but also of understanding the way that God has ordered creation and our place within it In this work he provides a comprehensive and accessible introduction to natural law ethics from an evangelical perspective In the first section of Faithful Reason Walker develops a robust framework of natural law ethics guided by biblical and theological evidence In the second section this framework is applied to various contemporary ethical issues within dignity ethics embodied ethics personal ethics social ethics and political ethics Through a natural law framework readers are empowered to reason through the particulars of any situation and develop a godly ethical response

What Does the Lord Require? Walter C. Kaiser Jr.,Walter Christian Kaiser (Jr.),2009-05 A trusted Bible teacher explores 18 key teaching passages that address relevant

ethical questions of our day helping preachers and teachers train congregants to think biblically and ethically *End of Story?* Andrew Perriman, 2019-11-12 This book is an exercise in a thoroughgoing narrative theology The social and legal validation of same sex relationships in the West over the last two decades has presented an immense challenge to the church insofar as it seeks to remain faithful to Scripture But it is not an isolated ethical problem It is just one element albeit a very important one in the much broader long term overhaul and reorientation of Western culture after the collapse of the Christian consensus The forces of history that are driving this transformation however have also alerted us to the historical perspectives that constrained biblical thought Andrew Perriman suggests that Paul's argument about same sex behavior perhaps more clearly than any other issue highlights the narrative shape of the mission of the early church in the Greek world By the same token we must ask how that storyline has been refracted across the boundary of modernity and how it now shapes the mission of the church as it adapts to its marginalized position in an aggressively secular world *Addicted to Lust* Samuel L. Perry, 2019-04-02 Few cultural issues alarm conservative Protestant families and communities like the seemingly ubiquitous threat of pornography Thanks to widespread access to the internet conservative Protestants now face a reality in which every Christian man woman and child with a smartphone can access limitless pornography in their bathroom at work or at a friend's sleepover Once confident of their victory over pornography in society at large conservative Protestants now fear that porn addiction is consuming even the most faithful How are they adjusting to this new reality And what are its consequences in their lives Drawing on over 130 interviews as well as numerous national surveys *Addicted to Lust* shows that compared to other Americans pornography shapes the lives of conservative Protestants in ways that are uniquely damaging to their mental health spiritual lives and intimate relationships Samuel L. Perry demonstrates how certain pervasive beliefs within the conservative Protestant subculture unwittingly create a context in which those who use pornography are often overwhelmed with shame and discouragement sometimes to the point of depression or withdrawal from faith altogether Conservative Protestant women who use pornography feel a double shame both for sinning sexually and for sinning like a man while conflicts over pornography in marriages are escalated by patterns of lying hiding blowing up or threats of divorce *Addicted to Lust* shines new light on one of the most talked about problems facing conservative Christians

What Is the Meaning of Sex? Denny Burk, 2013 Sex was created by God for his glory With clarity and compassion this book sets forth the Bible's teaching on sexuality from a complementarian perspective dealing with controversial issues such as homosexuality and polygamy *Authentic Human Sexuality* Judith K. Balswick, Jack O. Balswick, 2008-06-10 Jack and Judith Balswick investigate how human sexuality originates both biologically and socially lay groundwork for a normative Christian interpretation of sexuality show how authentic sexuality is necessarily grounded in relationships and explore forms of inauthentic sexuality such as sexual harassment pornography and rape *Understanding the Culture* Jeff Myers, 2017-03-01 Addressing issues such as gender identity abortion technology and poverty Dr Myers challenges readers to

ask How can an authentic Christian worldview provide a compassionate effective witness in culture today Dr Myers first shows readers what they can learn from Christian history and why today s issues might not be as new as they seem Then he takes them through the significant topics that affect them every day offering biblical ideas for conversing with others in an increasingly hostile culture This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones neighbors and colleagues Sex on Earth as It Is in Heaven Patricia Beattie Jung,2016-12-28 This work is part of a growing chorus of theological voices raised in support of erotic desire Although most theologians have concluded that there will be no experience of sexual desire and delight in the world to come Patricia Beattie Jung critically examines the historical traditions and biblical rationales for this teaching She defends an alternative claim that there will be a healed and glorified experience of sex in heaven based on a compelling account of the Christian hope for bodily resurrection The first half of the work focuses on Christian foundations for the notion of sex in heaven while the second goes on to discuss some of the implications of those convictions for sex on earth Jung concludes with discussions of how best to nurture sexual delight on earth and how and why internet pornography fails in that regard

Brownson,2013-02-03 In Bible Gender Sexuality James Brownson argues that Christians should reconsider whether or not the biblical strictures against same sex relations as defined in the ancient world should apply to contemporary committed same sex relationships Presenting two sides in the debate traditionalist and revisionist Brownson carefully analyzes each of the seven main texts that appear to address intimate

same sex relations In the process he explores key concepts that inform our understanding of the biblical texts including patriarchy complementarity purity and impurity honor and shame Central to his argument is the need to uncover the moral logic behind the biblical text Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality Brownson s in depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue
