Looking Backward From The Year 2000:

Looking Backward Edward Bellamy, 1882-12-16 Edward Bellamy's prophetic novel about a young Boston man who is mysteriously transported from the 19th to the 21st century from a world of war and want to a world of peace and plenty. The year is 2000. The place Utopian America. The hero anyone who has ever longed for escape to a better life. Translated into more than twenty languages and the most widely read novel of its time. Looking Backward is more than a brilliant visionary's view of the future. It is a blueprint of the perfect society, a guidebook that stimulated some of the greatest thinkers of our age. Today, in the very era it attempted to visualize, it is even more compelling than ever. With an Introduction by Walter James Miller and an Afterword by Eliot Fintushel. **Looking Backward, from 2000 to 1887** Edward Bellamy, 2015-03-09 Edward Bellamy was a popular American author known for his socialist thinking and his utopian book Looking Backward which starts in the future year of 2000 and goes backwards. **Looking Backward, 2000 To 1887** Edward Bellamy, 2015-12-24 Edward Bellamy was a popular American author known for his socialist thinking and his utopian book Looking Backward which starts in the future year of 2000 and goes backwards. Looking Backward Edward Bellamy, 2016-10-17 Set in Boston on December 26, 2000 but written before the turn of the nineteenth century, this classic Utopian novel is more significant and relevant than ever with its reappearance this millennium. Addressing moral and material concerns of late nineteenth century industrial America through romantic narrative, Bellamy suggests a fictionalized society in which war, poverty, and malice do not exist. Edward Bellamy, March 26, 1850 - May 22, 1898, was an American author and socialist, most famous for his utopian novel set in the year 2000, Looking Backward, published in 1888. Edward Bellamy was born in Chicopee Falls, Massachusetts. His father was Rufus King Bellamy, 1816-1886, a Baptist minister, and his mother was Maria Louisa Putnam Bellamy, a Calvinist. He had two older brothers, Frederick and Charles. He attended Union College but did not graduate. While there, he joined the Theta Chi Chapter of the Delta Kappa Epsilon Fraternity. He studied law but left the practice and worked briefly in the newspaper industry in New York and in Springfield, Massachusetts. He left journalism and devoted himself to literature, writing both short stories and novels. He married Emma Augusta Sanderson in 1882. The couple had two children, Paul, 1884, and Marion, 1886. He was the cousin of Francis Bellamy, most famous for creating the Pledge of Allegiance to promote the sale of American flags. *Looking Backwards* Edward Bellamy, 2018-09-05 The book tells the story of Julian West, a young American who towards the end of the 19th century falls into a deep hypnosis, induced sleep, and wakes up one hundred and thirteen years later. He finds himself in the same location, Boston, Massachusetts, but in a totally changed world. It is the year 2000, and while he was sleeping, the United States has been transformed into a socialist utopia. The remainder of the book outlines Bellamy's thoughts about improving the future. The major themes include problems associated with capitalism, a proposed socialist solution of a nationalisation of all industry, the use of an industrial army to organize production and distribution, as well as how to ensure free cultural production under

such conditions The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods Everyone retires with full benefits at age 45 and may eat in any of the public kitchens The productive capacity of America is nationally owned and the goods of society are equally distributed to its citizens A considerable portion of the book is dialogue between Leete and West wherein West expresses his confusion about how the future society works and Leete explains

happiness enjoyed by the most fortunate in that age Living in luxury and occupied only with the pursuit of the pleasures and refinements of life I derived the means of my support from the labor of others rendering no sort of service in return My parents and grand parents had lived in the same way and I expected that my descendants if I had any would enjoy a like easy existence
