Moving Onward From Racial Division To Class Unity:

Moving Onward Brooke Heagerty, Nelson Peery, 1998 *Moving Onward* Brooke Heagerty, Nelson Peery, 2000 An analysis of the ideology of race and racism and how it evolved along with the development of capitalism With the mass of people irrespective of color being forced into poverty the authors see the basis for some real class unity *Moving Onward* has the political and scientific clarity to help us out of the muck of race politics in this country Luis Rodriguez *Race and the Foundations of Knowledge* Joseph A. Young, Jana Evans Braziel, 2006 This anthology demonstrates the longstanding multifarious and major role that race has played in the formation of knowledge The authors demonstrate how race theory intersects with other bodies of knowledge by examining discursive records such as travelogues literature and historiography theoretical structures such as common sense pseudoscientific racism and Eurocentrism social structures of class advancement and identity and politico economic structures of capitalism colonialism and law *Motown and the Making of Working-Class Revolutionaries* Walda Katz-Fishman, Jerome Scott, 2025-09-01 *Motown and the Making of Working Class Revolutionaries* offers a fresh perspective on class race and revolution in the United States Drawing on more than forty hours of interviews with former members of the League of Revolutionary Black Workers Scott and Katz Fishman share the rich story of the League including the women and students That story includes the history of the automotive industry in Detroit the 1967 Detroit Rebellion and the wildcat strike that sparked the Dodge Revolutionary Union Movement DRUM The authors describe the rise of the League from 1968 to 1971 They explore the centrality of struggle and political education as the League split and a section of League comrades moved into revolutionary organizations and social movement spaces many of which remain active today League comrades share their analysis of the current moment and staying the course of revolutionary struggle *Radicalizing Learning* Stephen D. Brookfield, John D. Holst, 2010-08-26 *Radicalizing Learning* calls for a total rethinking of what the field of adult education stands for and how adult educators should assess their effectiveness Arguing that major changes in society are needed to create a more just world the authors set out to show how educators can help learners envision and enact this radical transformation Specifically the book explores the areas of adult learning training teaching facilitation program development and research Each chapter provides a guide to the different paradigms and perspectives that prevail across the field of theory and practice The authors then tie all of the themes into how adult learning for participatory democracy works in a diverse society **Social Change** Alicia Swords, 2024-08-21 *Social Change Movements Politics and Technology* is a groundbreaking exploration of social transformation from a conflict theory perspective offering a deep dive into the historical and sociological analysis of leaders within contemporary social movements This text reader is an essential guide for those seeking to understand the dynamics of social change and the role of social actors in shaping the future *Neither Enemies nor Friends* S. Oboler, A. Dzidzienyo, 2005-04-01 In this collection leading scholars focus on the contemporary meanings and diverse experiences of blackness in specific countries of the hemisphere

including the United States The anthology introduces new perspectives on comparative forms of racialization in the Americas and presents its implications both for Latin American societies and for Latinos relations with African Americans in the U S

Teaching Race and Anti-Racism in Contemporary America Kristin Haltinner,2013-10-16 This book presents thoughtful reflections and in depth critical analyses of the new challenges and opportunities instructors face in teaching race during what has been called the post racial era It examines the racial dimensions of the current political economic and cultural climate The book features renowned scholars and experienced teachers from a range of disciplines and offers successful strategies for teaching important concepts through case studies and active learning exercises It provides innovative strategies novel lesson plans and classroom activities for college and university professors who seek effective methods and materials for teaching about race and racism to today s students A valuable handbook for educators this book should be required reading for all graduate students and college instructors

Social Movements, Civil Society, and Radical Adult Education John D. Holst,2002 This text analyses the history of social movement civil society theory within radical adult education the Left It argues that Gramsci did not advocate building civil society but proletarian hegemony
