Moving Into History Therapy For The American Identity:

Moving Into History John M. Vore, 2003-01-01 Before he knew he was gay before he would be abused by a priest John Vore thought of himself first and foremost as an American In essays written since 9 11 Vore challenges progressives liberals and would be victims to think differently fractured into broken selves with patchwork identities we can barely see ourselves as Americans anymore Our blindness has allowed conservatives to grab the stage of history With our very individuality broken into psychological factions how can we challenge them In remembering our capacity as Americans Vore shows how we can come together again With values rooted in spirituality and an ideology free look at our lives he delivers an open invitation to us all a road map back to the center of America *Asian American Identities, Relationships, and Post-Migration Legacies* Jessica ChenFeng, Lana Kim, 2024-10-04 Bringing together the personal and professional narratives of Asian American family therapists this book offers insight into the Asian American experience through systemic theory and frameworks individual and community stories and clinical considerations The Asian American experience is still a largely invisible and unknown one especially in the field of marriage and family therapy With a contextual lens this book highlights how understanding family migration legacies and individual generational status relative to time place and context is critical to doing meaningful work with Asian Americans Filled with thought provoking case studies and reflective questions chapters discuss the impact of stereotyping on mental health the historical and present ways that Asian American racialization invisibilizes individual and collective experiences shame associated with bicultural identity gender generational trauma media representations and more Each chapter bridges these ideas to clinical practice while concurrently centering the voices and experiences of Asian American therapists This book is essential reading for marriage and family therapists and other mental health clinicians who want to deepen their understanding of relationship with and clinical support for the Asian Americans in their lives whether friends colleagues supervisees or clients **American Literature and American Identity** Patrick Colm Hogan, 2021-11-10 In recent years cognitive and affective science have become increasingly important for interpretation and explanation in the social sciences and humanities However little of this work has addressed American literature and virtually none has treated national identity formation in influential works since the Civil War In this book Hogan develops his earlier cognitive and affective analyses of national identity further exploring the ways in which such identity is integrated with cross culturally recurring patterns in story structure Hogan examines how authors imagined American identity understood as universal democratic egalitarianism in the face of the nation s clear and often brutal inequalities of race sex and sexuality exploring the complex and often ambivalent treatment of American identity in works by Charlotte Perkins Gilman Eugene O Neill Lillian Hellman Djuna Barnes Amiri Baraka Margaret Atwood N Scott Momaday Spike Lee Leslie Marmon Silko Tony Kushner and Heidi Schreck Jewish-American Identity and Critical Intercultural Communication Miriam Shoshana Sobre, 2022-11-08 Jewish American Identity and Critical Intercultural Communication

Never Forget Tikkun Olam and Kindness to Strangers explores what it means to be Jewish on a personal sociocultural and global political level This book employs 50 interviews with diverse Jewish voices to provide a history of Jewish migration to the US and to privilege voices that are not necessarily White and Eastern European Ashkenazic Sobr argues for a more inclusive form of intercultural theorizing that favors intersectionality and allyship over oppression Olympics stereotypes between members of different nondominant groups and colorism within nondominant group discrimination Such siloing of differences and further competing about whose differences are the most egregious minimizes critical intercultural coalition opportunities allowing for such groups as those who gave power to Trump and Netanyahu to connect while inclusive progressives engage in fighting and separatism The author calls for transversal dialogic politics racially and historically accurate school curriculum intersectionality and more inclusive intercultural communication scholarship and practice as various means of working together against white nationalism and white supremacy in the US and the world Scholars of religious studies cultural anthropology and intercultural communication will find this book of particular interest

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions

Down in the Valley Julius H. Bailey, 2016-04-08 African American religions constitute a diverse group of beliefs and practices that emerged from the African diaspora brought about by the Atlantic slave trade Traditional religions that had informed the worldviews of Africans were transported to the shores of the Americas and transformed to make sense

of new contexts and conditions This book explores the survival of traditional religions and how African American religions have influenced and been shaped by American religious history The text provides an overview of the central people issues and events in an account that considers Protestant denominations Catholicism Islam Pentecostal churches Voodoo Conjure Rastafarianism and new religious movements such as Black Judaism the Nation of Islam and the United Nuwaubian Nation of Moors The book addresses contemporary controversies including President Barack Obamas former pastor Jeremiah Wright and it will be valuable to all students of African American religions African American studies sociology of religion American religious history the Black Church and black theology Civil Rights in American Law, History, and Politics Austin Sarat, 2014-02-13 This book charts the ambiguous and contested meanings of civil rights in law and culture confronting important questions about race in contemporary America *Nationalism and History Education* Rachel Hutchins, 2016-02-26 History education by nature transmits an official version of national identity National identity is not a fixed entity and controversy over history teaching is an essential part of the process of redefining and regenerating the nation France and the United States have in particular experienced demographic and cultural shifts since the 1960s that have resulted in intense debates over national identity This volume examines how each country s national history is represented in primary schools social studies textbooks and curricula and how they handle contemporary issues of ethnicity diversity gender socio economic inequality and patriotism By analyzing each country separately and comparatively it demonstrates how various groups including academics politicians and citizen activists have influenced education and how the process of writing and rewriting history perpetuates a nation Drawing on empirical studies of the United States and France this volume provides insight into broader nationalist processes and instructive principles for similar countries in the modern world Counseling African American Males Dr. William Ross, 2016-06-01 There is no one method for doing culturally alert counseling Instead culturally alert counseling consists of intentionally adapting existing ways to help clients 1 understand their socially constructed worldviews through culture 2 appreciate their various cultures 3 to make choices about adherence to cultural norms and 4 to recognize and respond to external bias relating to their cultural group membership *Rewriting American Identity in the Fiction and Memoirs of Isabel Allende* B. Craig, 2013-08-20 Moving away from territorially bound narratives toward a more kinetic conceptualization of identity this book represents the first analysis of the politics of American identity within the fiction and memoirs of Isabel Allende Craig offers a radical transformation of societal frameworks through revised notions of place temporality and space
