Essays Richard Taruskin, 2010-11-11 Roth Family Foundation music in America imprint Prelim p *Music and the Making of Modern Japan* Margaret Mehl, 2024-05-29 Japan was the first non Western nation to compete with the Western powers at their own game The country s rise to a major player on the stage of Western music has been equally spectacular The connection between these two developments however has never been explored How did making music make Japan modern How did Japan make music that originated in Europe its own And what happened to Japan s traditional music in the process

Music and the Making of Modern Japan answers these questions Discussing musical modernization in the context of globalization and nation building Margaret Mehl argues that far from being a side show music was part of the action on centre stage Making music became an important vehicle for empowering the people of Japan to join in the shaping of the modern world In only fifty years from the 1870s to the early 1920s Japanese people laid the foundations for the country's post war rise as a musical as well as an economic power Meanwhile new types of popular song fuelled by the growing global record industry successfully blended inspiration from the West with musical characteristics perceived as Japanese Music and the Making of Modern Japan represents a fresh contribution to historical research on making music as a major cultural social and political force

Gender, Subjectivity, and Cultural Work Christina Scharff,2017-09-27 What is it like to work as a classical musician today How can we explain ongoing gender racial and class inequalities in the classical music profession What happens when musicians become entrepreneurial and think of themselves as a product that needs to be sold and marketed Gender Subjectivity and Cultural Work explores these and other questions by drawing on innovative empirical research on the working lives of classical musicians in Germany and the UK Indeed Scharff examines a range of timely issues such as the gender racial and class inequalities that characterise the cultural and creative industries the ways in which entrepreneurialism as an ethos to work on and improve the self is lived out and the subjective experiences of precarious work in so called creative cities Thus this book not only adds to our understanding of the working lives of artists and creatives but also makes broader contributions by exploring how precarity neoliberalism and inequalities shape subjective experiences Contributing to a range of contemporary debates around cultural work Gender Subjectivity and Cultural Work will be of interest to scholars and students in the fields of Sociology Gender and Cultural Studies

El Sistema Geoffrey Baker,2014 The Venezuelan youth orchestra programme known as El Sistema has garnered global renown through its claims to use classical music education to foster social inclusion Yet it has been the subject of surprisingly little scrutiny and genuine debate In this critical study of the programme Geoffrey Baker explores the career of its founder Jos Antonio Abreu and the ideology and organizational dynamics of his institution

Understanding the Music Business Richard Weissman,2015-09-30 Understanding the Music Business offers students a

current overview of the music business Going beyond what most music business texts offer Weismann delivers a contemporary approach that addresses the unanswered questions for today s music students such as Is it really possible to make a living as musician Understanding the Music Business covers the basics in the first part of the text This first section deals with the fundamentals of the industry including recording music publishing agents managers radio and television unions the internet and new technology and regional and international music markets However it is the second half of the text that breaks new ground by covering the career paths of new artists in the industry the development and need for entrepreneurial skills and the ways that individuals forge careers in the industry **Musicians from a Different Shore**

Mari Yoshihara, 2008-05-02 Musicians of Asian descent enjoy unprecedented prominence in concert halls conservatories and classical music performance competitions In the first book on the subject Mari Yoshihara looks into the reasons for this phenomenon starting with her own experience of learning to play piano in Japan at the age of three Yoshihara shows how a confluence of culture politics and commerce after the war made classical music a staple in middle class households established Yamaha as the world s largest producer of pianos and gave the Suzuki method of music training an international clientele Soon talented musicians from Japan China and South Korea were flocking to the United States to study and establish careers and Asian American families were enrolling toddlers in music classes Against this historical backdrop Yoshihara interviews Asian and Asian American musicians such as Cho Liang Lin Margaret Leng Tan Kent Nagano who have taken various routes into classical music careers They offer their views about the connections of race and culture and discuss whether the music is really as universal as many claim it to be Their personal histories and Yoshihara s observations present a snapshot of today s dynamic and revived classical music scene **Focus On: 100 Most Popular Television Shows Set in New York City** Wikipedia contributors,
