

Mr Jefferson

RD Boyd

Mr Jefferson:

Mr. Jefferson's University Garry Wills, 2007-06-12 In the paperback edition of the critically acclaimed hardcover bestselling author and Pulitzer Prize winner Garry Wills explores Thomas Jefferson's final and favorite achievement the University of Virginia The University of Virginia is one of America's greatest architectural treasures and one of Thomas Jefferson's proudest achievements At his request his headstone says nothing of his service as America's first Secretary of State or its third President It says simply Here was buried Thomas Jefferson author of the Declaration of American Independence of the Statute of Virginia for Religious Freedom and Father of the University of Virginia For this political genius was a supremely gifted artist as well and of all Jefferson's stunning accomplishments the school he built in Charlottesville is perhaps the most perfect expression of the man himself as leader as architect and as philosopher In this engrossing perceptive book Garry Wills once again displays the keen intelligence and eloquent style that have won him great critical praise as he explores the creation of a masterpiece tracing its evolution from Jefferson's idea of an academical village into a classically beautiful campus Mr Jefferson's University is at once a wonderful chronicle of the birth of a national institution and a deft portrait of the towering American who brought it to life There is much auspicious history to explore here and Wills does so with great narrative skills Richmond Times Dispatch His command of the subject is formidable Los Angeles Times

Mr. Jefferson's Hammer Robert M. Owens, 2012-10-09 Often remembered as the president who died shortly after taking office William Henry Harrison remains misunderstood by most Americans Before becoming the ninth president of the United States in 1841 Harrison was instrumental in shaping the early years of westward expansion Robert M Owens now explores that era through the lens of Harrison's career providing a new synthesis of his role in the political development of Indiana Territory and in shaping Indian policy in the Old Northwest Owens traces Harrison's political career as secretary of the Northwest Territory territorial delegate to Congress and governor of Indiana Territory as well as his military leadership and involvement with Indian relations Thomas Jefferson who was president during the first decade of the nineteenth century found in Harrison the ideal agent to carry out his administration's ruthless campaign to extinguish Indian land titles More than a study of the man Mr Jefferson's Hammer is a cultural biography of his fellow settlers telling how this first generation of post Revolutionary Americans realized their vision of progress and expansionism It surveys the military political and social world of the early Ohio Valley and shows that Harrison's attitudes and behavior reflected his Virginia background and its eighteenth century notions as much as his frontier milieu To this day we live with the echoes of Harrison's proclamations the boundaries set by his treaties and the ramifications of his actions Mr Jefferson's Hammer offers a much needed reappraisal of Harrison's impact on the nation's development and key lessons for understanding American sentiments in the early republic

Mr. Jefferson's Lost Cause Roger G. Kennedy, 2003 Thomas Jefferson advocated a republic of small farmers free and independent yeomen And yet as president he presided over a massive expansion of the slaveholding

plantation system particularly with the Louisiana Purchase squeezing the yeomanry to the fringes and to less desirable farmland Now Roger G Kennedy conducts an eye opening examination of the gap between Jefferson s stated aspirations and what actually happened Kennedy reveals how the Louisiana Purchase had a major impact on land use and the growth of slavery He examines the great financial interests such as the powerful land companies that speculated in new territories and the British textile interests that beat down slavery s many opponents in the South itself Native Americans African Americans Appalachian farmers and conscientious opponents of slavery He describes how slaveholders cash crops first tobacco then cotton sickened the soil and how the planters moved from one desolated tract to the next Soon the dominant culture of the entire region from Maryland to Florida from Carolina to Texas was that of owners and slaves producing staple crops for international markets The earth itself was impoverished in many places beyond redemption None of this Kennedy argues was inevitable He focuses on the character ideas and ambitions of Thomas Jefferson to show how he and other Southerners struggled with the moral dilemmas presented by the presence of Indian farmers on land they coveted by the enslavement of their workforce by the betrayal of their stated hopes and by the manifest damage being done to the earth itself Jefferson emerges as a tragic figure in a tragic period Mr Jefferson s Lost Cause was a CHOICE Outstanding Academic Title for 2003

Mr. Jefferson's Women Jon Kukla,2008-10-14 From the acclaimed author of *A Wilderness So Immense* comes a pioneering study of Thomas Jefferson s relationships with women both personal and political The author of the Declaration of Independence who wrote the words all men are created equal was surprisingly uncomfortable with woman In eight chapters Kukla examines the evidence for the founding father s youthful misogyny beginning with his awkward courtship of Rebecca Burwell who declined Jefferson s marriage proposal and his unwelcome advances toward the wife of a boyhood friend Subsequent chapters describe his decade long marriage to Martha Wayles Skelton his flirtation with Maria Cosway and the still controversial relationship with Sally Hemings A riveting study of a complex man Mr Jefferson s Women is sure to spark debate

An Answer to Mr. Jefferson's Justification of His Conduct in the Case of the New Orleans Batture Edward Livingston,1813 *Hearings* United States. Congress. House. Committee on Agriculture,1926 *Congressional Record* United States. Congress,1947 *Observations on the Writings of T. Jefferson, with particular reference to the attack they contain on the memory of ... Gen. H. Lee. In a series of letters* Henry Lee,1839 *Abridgment of the Debates of Congress, from 1789 to 1856: Dec. 5. 1796-March 3, 1803* United States. Congress,Thomas Hart Benton,1857 *The Weekly Inspector*,1807
