

LUCKY PENNY

u/mary_goose

It's just a shiny penny, easily overlooked.

But...

After failing an ability check or saving throw, but before knowing the outcome, time freezes, and whoever is in possession of this coin may flip it. Heads, and they automatically get a natural 20. Tails, a natural one.

The lucky penny has 1d4 charges per long rest, which are rerolled every day. Charges do not carry over to the following day.

Mr Luckypennys Magic:

Raggedy Ann's Lucky Pennies - Illustrated by Johnny Gruelle Johnny Gruelle, 2018-01-24 Raggedy Ann's Lucky Pennies is written and illustrated by Johnny Gruelle. Gruelle 1880-1930 was an American artist and political cartoonist as well as a children's book illustrator and author. The books of The Raggedy Ann Series all feature their central protagonist with red yarn for hair and a triangle nose charting her considerable adventures. Gruelle created Raggedy Ann for his daughter Marcella when she brought him an old hand-made rag doll. He drew a face on it and from his bookshelf pulled a book of poems by James Whitcomb Riley combining the names of two poems: The Raggedy Man and Little Orphan Annie. From this moment on, the much-loved children's series went from strength to strength. Sought after by collectors, this re-printed edition showcases Gruelle's original text further enhanced by his wonderful colour drawings in order that the two may be fully appreciated by young and old alike.

Lucky Penny Catherine Anderson, 2012-01-31 In this stirring novel of the Old West from New York Times bestselling author Catherine Anderson, a desperate woman's impulsive ruse brings a rough-looking stranger into her life. To support her orphaned niece impoverished Brianna O'Keefe accepts work with a Colorado rancher. To guard herself from unwanted attention she resorts to a harmless little lie that she's married to a Denver gold miner named David Paxton. When her boss forces her to write her husband hoping he'll take Brianna off his hands she can only pray that no real David Paxton exists who can expose her. When Colorado marshal David Paxton gets a letter from a stranger claiming to be his wife and pleading with him to come for her and his daughter he dutifully sets out to find this woman and the child he may have sired. What stuns Brianna is that David is convinced the young girl could in fact be his. As David and Brianna's wary attraction blossoms into a deeper desire David warms to the idea of a ready-made family. But can his dream survive Brianna's lingering distrust and his own heart-held secrets?

A Lucky Penny K. W. Aigner, 2015-12-17 Sometimes the most difficult aspect of life is to put all doubts aside and simply believe. After experiencing success as an actress early in her life Annie falls into a relationship darker than she ever imagined. It will take the unexpected kindness from those around Annie to help her find her way home. *A Lucky Penny* is a story of success, failure, and the ability to regain one's dignity while rediscovering what it means to have faith in others.
