Mr Dooley In The Hearts Of His Countrymen:

Finley Peter Dunne and Mr. Dooley Charles Fanning, 2021-11-21 Finley Peter Dunne American journalist and humorist is justly famous for his creation of Mr Dooley the Chicago Irish barkeep whose weekly commentary on national politics war and human nature kept Americans chuckling over their newspapers for nearly two decades at the beginning of this century Largely forgotten in the files of Chicago newspapers however are over 300 Mr Dooley columns written in the 1890s before national syndication made his name a household word Charles Fanning offers here the first critical examination of these early Dooley pieces which far better than the later ones reveal the depth and development of the character and his creator Dunne created in Mr Dooley a vehicle for expressing his criticism of Chicago's corruption despite the conservatism of most of his publishers Dishonest officials who could not be safely attacked in plain English could be roasted with impunity in the pure Roscommon brogue of a fictional comic Irishman In addition Dunne painted through the observations of his comic persona a vivid and often poignant portrait of the daily life of Chicago's working class Irish community and the impact of assimilation into American life He also offered cogent views of American urban political life already dominated by the Irish as firmly in Chicago as in other large American cities and of the tragicomic phenomenon of Irish nationalism Mr Fanning's penetrating examination of these early Dooley pieces clearly establishes Dunne as far more than a mere humorist Behind Mr Dooley's marvelously comic pose and ironic tone lies a wealth of material germane to the social and literary history of turn of the century America *Mr. Dooley in the Hearts of His Countrymen* Finley Peter Dunne, 1899 Mr. Dooley Dunne Finley Peter, 2016-06-22 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Bookman, 1920 **An Essay on Laughter: Its Forms, Its Causes, Its Development and Its Value** James Sully, 2022-09-16 In *An Essay on Laughter Its Forms Its Causes Its Development and Its Value* James Sully offers an insightful exploration of laughter delving into its multifaceted dimensions Written in the late 19th century Sully employs a methodical and analytical literary style merging philosophical inquiry with psychological observation The work situates laughter within both social and individual contexts examining its evolutionary significance and its varying manifestations across cultures Through rigorous analysis Sully demonstrates how laughter serves as a universal human experience intertwined with emotion and intellect deftly navigating the intersection of humor and philosophical thought James Sully a prominent psychologist and philosopher of his time is best known for his contributions to the understanding of consciousness and the mind His deep interest in the complexities of human emotion likely inspired this comprehensive examination of laughter Sully's engagement with contemporary psychological theories and his recognition of the social dynamics of his era

inform his perspectives highlighting the cultural implications of humor and laughter in a swiftly modernizing world This book is highly recommended for scholars psychologists and anyone intrigued by the role of laughter in human experience Sully s profound insights not only illuminate the nature of laughter but also encourage reflective thought on its significance in daily life Readers will emerge with a deeper appreciation for the complexities of humor and a renewed understanding of its vital role in human interactions

Current Encyclopedia Samuel Fallows,Edmund Buckley,Shailer Mathews,1902 **The World To-day** ,1902 Current Encyclopedia, a Monthly Record of Human Progress ,1902 **The Menorah** ,1899 **Books by Catholic Authors in the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh,1921
