Mrs Caldwell Speaks To Her Son:

Mrs. Caldwell Speaks to Her Son Camilo José Cela, 1968 Well Mrs Caldwell is the English mother of Eliacim who has died a while ago not clear but possibly in WW2 or at least between the world wars She is writing a sort of diary of her thoughts as she ponders her relationship with her now grown son The book has about 200 pages with about 200 short chapters each with a descriptive heading She is going mad and the basic suggestion though not clear since this is definitely not a simple narrative story but in my view is because of her guilt in having had incestuous thoughts about him since he was a boy Each chapter is basically a thought picture with little connectivity with the others as Caldwell brings to mind Eliacim s possible loves his career in the navy he dies aboard ship and is buried at sea objects that spark a memory avoids but alludes to her inappropriate behaviours and so on There is a possible thread of ideas associated with water wood of coffins sin time and her own youth Goodreads

Mrs. Caldwell Speaks to Her Son Camilo José Cela, J. S. Bernstein, 1990 The Ecstasy of Regret Dannye Romine Powell, 2002-01-01 Dannye Romine Powell writes of marriage parenthood and temptation of love in its many forms Her lyrical imagistic poems bring into sudden focus the subtle shifts of understanding and emotion within intimacy In her reworking of the primal story of Eve and Adam and throughout all the poems she elucidates how everyday life can sustain a family or sunder it With clarity and care she illuminates the world

Darcy and Anne Judith Brocklehurst, 2009-09-01 It is a truth universally acknowledged that Lady Catherine will never find a husband for Anne When a fortuitous accident draws Anne away from Rosings and her overbearing mother s direct influence she is able to think and act for herself for the first time ever In the society of her cousins Darcy and Georgiana and of course the lively Mrs Darcy Anne reveals a talent for writing and a zest for life Meanwhile Lady Catherine is determined to choose a husband for Anne But now that Anne has found her courage she may not be so easy to rule Anne de Bourgh is a sympathetic character whose obedience and meekness were expected of women in her day As she frees herself from these expectations Anne discovers strength independence and even true love in a wonderfully satisfying coming of age story

Shattered Allison Brennan, 2017-08-22 New York Times bestseller Allison Brennan s two series collide in Shattered a powerful enthralling read about the craving for revenge and the desire for justice Over a span of twenty years four boys have been kidnapped from their bedrooms suffocated and buried nearby in a shallow grave Serial killer or coincidence That s the question investigative reporter Maxine Revere sets out to answer when an old friend begs her to help exonerate his wife who has been charged with their son s recent murder But Max can do little to help because the police and D A won t talk to her they think they have the right woman Instead Max turns her attention to three similar cold cases If she can solve them she might be able to help her friend Justin Stanton was killed twenty years ago and his father wants closure so he is willing to help Max with her investigation on one condition that she work with his former

sister in law Justin's aunt FBI Agent Lucy Kincaid Trouble is Max works alone and she's livid that her only access to the case files lead detective and witnesses depends on her partnering with a federal agent on vacation She wants the career making story almost as much as the truth but if she gets this wrong she could lose everything Haunted by Justin's death for years Lucy yearns to give her family and herself the closure they need More important she wants to catch a killer Lucy finds Max's theory on all three cases compelling with Max's research added to Lucy's training and experience Lucy believes they can find the killer so justice can finally be served But the very private Lucy doesn't trust the reporter any more than Max trusts her Max and Lucy must find a way to work together to untangle lies misinformation and evidence to develop a profile of the killer But the biggest question is why were these boys targeted As they team up to find out what really happened the night Justin was killed they make a shocking discovery Justin's killer is still out there stalking another victim and they already may be too late

A Necklace of Bees Dannye Romine Powell, 2008-07-01 With a quirky poignance Dannye Romine Powell's third collection probes the nature of loss loss that's actual and loss that's feared In these poems loss takes many guises With its ferny breath loss is sometimes the lover who waits in secret on the porch Sometimes even loss recognizes the feeling of loss and calls the cops to say his best friend went fishing and won't answer his phone Often the poet mourns a loss of innocence as when she learns after attending the funeral of a friend that the dead woman's husband has a history of infidelity There's also the loss of romantic love as when the woman pulls toward shore a shore she calls by a name she swore she'd never breathe again

Death of a Dyer Eleanor Kuhns, 2013-06-18 Returning to his family farm in 1796 and considering a relationship with his housekeeper widower Will Rees is shattered by the news of an old friend's murder and is unable to refuse a request to investigate
