Philanthropy and Early Twentieth-Century British Literature Milena Radeva-Costello, 2019-01-15 Philanthropy and Early Twentieth

Century British Literature explores the relationship between British literature and philanthropy at the end of the nineteenth and early twentieth centuries examining the works of E M Forster Rebecca West W B Yeats Roger Fry Wyndham Lewis Virginia Woolf and Vita Sackville West This book considers how writers in the modernist period drew on the liberal welfare reforms the adoption of scientific methods in charity the Cambridge tradition of public service the Irish nationalist movement and the influence of the Victorian woman philanthropist in order to advocate for an individualist art revolutionize their aesthetics redefine ideals of hospitality and beneficence and affirm the national social and economic liberation of the modern subject Contrary to popular interpretations presenting modernism as a break with Victorian values Dr Radeva Costello argues philanthropic engagements are at the heart of early twentieth century literature The writers discussed in this book had a sophisticated knowledge of the philanthropy debates and of their power to transform twentieth century notions about how to govern how to conceive of national class and gender boundaries and how to market the work of the professional artist in the real world In keeping with the strong archival and historicizing approach of the New Modernist Studies of recent years this book also analyses the rich contextual detail of early modernist magazines contemporary and archival periodicals and government publications

Woolf Editing / Editing Woolf Eleanor McNees, Sara Veglahn, 2018-08-30 Woolf Editing Editing Woolf focuses on Woolf as editor both of her own work and of the Hogarth Press and on editing Woolf on the conflation of textual and theoretical criticism of Woolf s oeuvre Since many contributors are editors creative writers and critics contributions highlight the intersections of those three roles The essays variously addressed the granite of close textual reading and the rainbow of theoretical approaches to Woolf s writings Several more flexible versions of editing emerge in the papers that discuss adaptations of Woolf to film theatre and music Brenda Silver s contribution in memory of Julia Briggs opens the volume and James Haule s contribution concludes it
