Patient Accounts Management Handbook:

The Patient Accounts Management Handbook Allan P. DeKaye, 1997 This comprehensive handbook addresses both the technical and operational aspects of accounts receivable management. It provides the basics of accounts receivable management in addition to addressing the importance of today's changing healthcare environment. This book will help patient accounts managers improve their understanding of accounts receivable management skills and achieve their organizational goals and objectives. The Certified Healthcare Collection Specialist Program developed jointly by The American Collectors Association Healthcare Services Program ACA HSP and The American Association of Healthcare Administrative Management AAHAM lists this book as a part of its recommended reading list. An Instructor's manual is available. **Instructor's Manual for Patient Accounts Management Handbook** Allan P. DeKaye, 1998-01 **The Physician Manager's Handbook** Robert J.
