

Patriotism On Parade

A. Lynn Smith

Patriotism On Parade:

Patriotism on Parade Wallace Evan Davies, 1955 Since 1783 patriotic societies have become an integral part of American history The great number of Sons Daughters and Dames and the alphabetical jungle of G A R D A R V F W U C V U D C W R D etc are well known and are often subjects of controversy Wallace Evan Davies here recounts in fascinating detail the activities and attitudes of both veterans and hereditary patriotic societies in America up to 1900 In a lively manner he explores their significance as social organizations their concept of patriotism and their influence upon public opinion and legislation At the close of the American Revolution a group of officers formed the first patriotic veterans society The Society of the Cincinnati open to all officers who had served for three years or were in the army at the end of the Revolution Thus it began Then after the Civil War came the numerous organizations of veterans of both sides and of their relatives And as some Americans became more nationalistic others becoming absorbed in family trees started the many hereditary societies After discussing the founding of men s women s and children s patriotic societies the author describes their organizational aspects their size qualifications for membership officers dues ritual badges costumes and the like In hereditary groups membership was deliberately limited for exclusiveness was often their strongest appeal The veterans groups however were usually anxious to be as large as possible so as to enhance their influence upon legislators The appearance beginning in the 1860 s of nearly seventy patriotic newspapers and magazines testifies to the rising popularity of these groups prominent publications of the patriotic press included The Great Republic The Soldiers Friend The Grand Army Record The Vedette National Tribune and American Tribune Many people turned to patriotism as to a sort of secular religion in which their increasing differences in national origin and in religious and cultural inheritance could be submerged many others joined these societies primarily for social reasons Once members however all became devoted campaigners for such projects as pensions for veterans care of war orphans and popular observance of national patriotic holidays they also took to the field over desecrations of the flag sectional animosity the teaching of history immigration policy labor disturbances military instruction in schools and expansionism In *Patriotism on Parade* we have a cross section of American social and intellectual history for the period 1783 1900 In writing it Davies quotes liberally from contemporary letters and newspapers which make lively reading and he has had access to the many scrapbooks and voluminous papers of William McDowell prominent in the founding of several hereditary groups which shed new light on the early years of the D A R and the S A R in particular His book will be read with interest by the general public by historians and especially by persons who have belonged to any of the organizations he describes

Patriotism on parade Wallace Evan Davies, 1955 *The Daughters of the American Revolution and Patriotic Memory in the Twentieth Century* Simon Wendt, 2020-09-01 In this comprehensive history of the Daughters of the American Revolution DAR one of the oldest and most important women s organizations in United States history Simon Wendt shows how the DAR s efforts to keep alive the memory of the nation s past were entangled with and strengthened the nation s racial

and gender boundaries Taking a close look at the DAR's mission of bolstering national loyalty Wendt reveals paradoxes and ambiguities in its activism While the Daughters engaged in patriotic actions long believed to be the domain of men and challenged male centered accounts of US nation building their tales about the past reinforced traditional notions of femininity and masculinity reflecting a belief that any challenge to these conventions would jeopardize the country's stability Similarly they frequently voiced support for inclusive civic nationalism but deliberately shaped historical memory to consolidate white supremacy Using archival sources from across the country Wendt focuses on the DAR's most visible work after its founding in 1890 its commemorations of the American Revolution western expansion and Native Americans He also explores the organization's post World War II history a time that saw major challenges to its conservative vision of America's imagined community This book sheds new light on the remarkable agency and cultural authority of conservative white women in the twentieth century

Memory Wars A. Lynn Smith, 2023-07 2024 Choice Outstanding Academic Title Memory Wars explores how commemorative sites and patriotic fanfare marking the mission of General John Sullivan into Iroquois territory during the Revolutionary War continue to shape historical understandings today Sullivan's expedition was ordered by General George Washington at a tenuous moment of the Revolutionary War It was a massive enterprise involving thousands of men who marched across northeastern Pennsylvania into what is now New York state to eliminate any present or future threat from the British allied Iroquois Confederacy Sullivan and his men carried out a scorched earth campaign obliterating more than forty Iroquois villages including homes fields and crops For Indigenous residents it was a catastrophic invasion For many others the expedition yielded untold bounty American victory over the British along with land and fortunes beyond measure for settlers who soon moved onto the razed village sites The Sullivan Expedition has long been fixed on the landscape of Pennsylvania and New York by a cast of characters including amateur historians newly formed historical societies and local chapters of the Daughters of the American Revolution Asking how it is that people continue to celebrate Sullivan in the present day Memory Wars underscores the symbolic value of the past as well as the dilemmas posed to contemporary Americans by the national commemorative landscape

America's Public Holidays, 1865-1920 Ellen M. Litwacki, 2013-08-06 From the revered Memorial Day to the forgotten Lasting Day America's Public Holidays is a timely and thoughtful analysis of how the civic culture of America has been fashioned By analyzing how holidays became a forum for expressing patriotism how public tradition has been invented and how the definition of America itself was changed Ellen Litwacki tells the intriguing story of the elite effort to create new holidays and the variety of responses from ordinary Americans

The War Went On Brian Matthew Jordan, Evan C. Rothman, 2020-04-01 In recent years Civil War veterans have emerged from historical obscurity Inspired by recent interest in memory studies and energized by the ongoing neorevisionist turn a vibrant new literature has given the lie to the once obligatory lament that the postbellum lives of Civil War soldiers were irretrievable Despite this flood of historical scholarship fundamental questions about the essential character of Civil

War veteranhood remain unanswered Moreover because work on veterans has often proceeded from a preoccupation with cultural memory the Civil War s ex soldiers have typically been analyzed as either symbols or producers of texts In *The War Went On Reconsidering the Lives of Civil War Veterans* fifteen of the field s top scholars provide a more nuanced and intimate look at the lives and experiences of these former soldiers Essays in this collection approach Civil War veterans from oblique angles including theater political and disability history as well as borderlands and memory studies Contributors examine the lives of Union and Confederate veterans African American veterans former prisoners of war amputees and ex guerrilla fighters They also consider postwar political elections veterans business dealings and even literary contests between onetime enemies and among former comrades

To the Flag Richard J. Ellis,2005 Saluting the flag in public schools began as part of a national effort to Americanize immigrants Here Richard Ellis unfurls the history of the Pledge of Allegiance and of the debates and controversies that have sometimes surrounded it [Racial Structure and Radical Politics in the African Diaspora](#) Georgia A. Persons,2017-07-05 This is a must read book for anyone interested in the areas of racial theory and racial relations multicultural and polarized religions and the making of African personality and culture In keeping with earlier volumes in the series it emphasizes the cross fertilization of Africa and the world In *Binga Bank The Development of the Black Metropolis* Beth Johnson gives an historic look at the opening of the Binga Bank its founder and how the bank helped stimulate the black metropolis in Chicago *Black on the Block* takes a look at life in the community of North Kenwood Oakland California Mark Christian describes what it is like to be a member in the African diaspora in the United States and United Kingdom In the racial theory and racial relations area Clarence Tally s *The aeRace Concept and Racial Structure* argues that the study of race has become dominated by the idea that race is socially constructed Reiland Rabaka analyzes discourse on the process of awarding reparations to people of African origin Paula A Moore explains why people of African descent with mental health problems do not receive treatment Patriot Day focuses on the emergence and growth of Islam in America and its struggle to connect with America s cultural heritage *Edward Wilmot Blyden and the African Personality* by James Conyers reviews Blyden s ideas and beliefs challenging the European worldview *Cultural Helix Theory* examines the most fundamental component of African culture language and how it aff ects the black community *Black in the Saddle* by Demetrius W Pearson chronicles the professional and personal experiences of Willie Thomas an African American cowboy

[Family Trees](#) François Weil,2013-04-30 Americans long and restless search for identity through family trees illuminates the story of America itself according to Fran ois Weil as preoccupation with social standing racial purity and national belonging gave way to an embrace of diversity in one s forebears pursued through Ancestry com and advances in DNA

testing *The Woman Patriot* Minnie Bronson,1918 **Remembering the Civil War** Caroline E. Janney,2013-06-03 As early as 1865 survivors of the Civil War were acutely aware that people were purposefully shaping what would be remembered about the war and what would be omitted from the historical record In *Remembering the Civil War* Caroline E Janney examines how the war generation men and women black and white Unionists and Confederates crafted and protected their memories of the nation s greatest conflict Janney maintains that the participants never fully embraced the reconciliation so famously represented in handshakes across stone walls Instead both Union and Confederate veterans and most especially their respective women s organizations clung tenaciously to their own causes well into the twentieth century Janney explores the subtle yet important differences between reunion and reconciliation and argues that the Unionist and Emancipationist memories of the war never completely gave way to the story Confederates told She challenges the idea that white northerners and southerners salved their war wounds through shared ideas about race and shows that debates about slavery often proved to be among the most powerful obstacles to reconciliation *The Bottle Maker* ,1921 *A Warrior, a Patriot, a Hero, and a Mentor* Eugene Anderson,2021-10-27 A Warrior a Patriot a Hero and a Mentor The Life and Times of John W Monk 1916 2018 by Eugene Anderson Following the story of a man born into an era of De Jure segregation in Louisiana you see all of the accomplishments John W Monk achieved in his life with the cards against him From being ranked Master Sergeant to mentoring several others on how to create a successful business John W Monk was admired and loved by many which you will see for yourself all the difference he made in all the lives he touched *Navigator* ,2006 *Der Reggebooge* ,2008 **Congressional Record** United States. Congress,1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Advocate of Peace* ,1915
