Cleburne County and Its People Carl J. Barger, 2008-05-13 Cleburne County and Its People is a historical account of Cleburne County and the men and women who made it what it is today. These men and women were as diverse as the Ozark Mountain's rock-laden landscapes. The pioneers who settled Cleburne County were as strong as the land of hardy pioneer stock and bold in thought and action. They were shrewd, strong-willed individuals who brought staunch beliefs and strong disciplines with them and settled in an untamed wilderness which became Cleburne County. Cleburne County and Its People has drawn from the past and the present, chronicling the lives of settlers facing hardships and tragedies, discovering profound beauty, mastering vast natural resources, and formulating democratic ideals. The stories in this book are honest interpretations of the human experience intertwined with the old and the new, adding exciting dimensions to the county and Cleburne and the state of Arkansas. The objective of Carl J. Barger, the compiler of Cleburne County and Its People, is to preserve a history of the county of his birth for students, historians, and all of the citizens of Cleburne County. Carl J. Barger is the author of *Swords and Plowshares*, a Civil War love story, and *Mamie*, an Ozark Mountain Girl of Courage, a story of the Ozark Mountain People set in Cleburne and Van Buren Counties.

Hidden History of Sturgeon Bay Heidi Hodges, Kathy Steeb, 2018-07-16 Beyond the stunning beauty of Wisconsin's Sturgeon Bay lies a hidden past of colorful characters, tragic shipwrecks, and compelling community achievements. Arriving as an immigrant to the town, Joseph Harris Sr. became a founding father, creating the Door County Advocate newspaper and leading a campaign to construct the Sturgeon Bay Ship Canal. More than one hundred local volunteers formed the ranks of Company F, nicknamed Les Terribles by the French for their bravery and sacrifice in World War I. After surviving the Civil War, former slave Peter Custis endured unimaginable tragedy while forging a life in the city. Authors Heidi Hodges and Kathy Steeb expose the forgotten history of Sturgeon Bay. It's a story of dogged perseverance.

Animal Killer Vamik D. Volkan, 2018-05-11 A psychoanalytic process from its beginning to its termination is described to illustrate crucial technical issues in the treatment of individuals with narcissistic personality organization and the countertransference manifestations such as patients stimulate in the analyst. The subject of this book exhibited cruelty to confirm and stabilize his grandiosity. His internal world was a reservoir of the deposited image of his father figure, an individual most severely traumatized during World War II. The patient was given the task to be a mass killer of animals instead of being a hunted one. This book most clearly illustrates how the transgenerational transmission of trauma takes place and how the impact of war continues in future generations. The book also provides an understanding of a special kind of psychological motivation that directs a person to use weapons for mass killing. In this era of pluralism in psychoanalysis, providing the story of a psychoanalytic case in its duration opens ways for comparison and discussion of technique and can be used as a teaching tool.
