*Patsy Kelly Investigates: End of the Line* Anne Cassidy, 1996 Patsy is desperate for some more proper work at her uncle's agency but she's stuck behind a typewriter. Then a series of frightening murders take place and Patsy knows something no one else does. The police tell her to stay out of it so she'll just have to solve the crime on her own. *Patsy Kelly Investigates* Anne Cassidy, 1995 Working at a detective agency sounds exciting but Patsy Kelly's bored stiff. Her uncle's the detective and she's just the office clerk. But when Judy West goes missing Patsy is sure she knows how to find her. It can't do any harm to ask a few questions can it? **Patsy Kelly Investigates Brotherly** Random House, 1997-10-01 **Patsy Kelly**

**Investigates** Anne CASSIDY, 1997 **Patsy Kelly Investigate** Anne CASSIDY, 1995 **UDR: Declassified** Micheál Smith, 2022-03-23 In *UDR Declassified* Micheál Smith reveals what the British establishment, the British government and its armed forces knew and had to say about the regiment in recently declassified files. From its formation in 1970 as a locally raised militia the Ulster Defence Regiment developed into the largest regiment in the British Army. For unionists service in the UDR was a noble act and often a family tradition; for nationalists an encounter with the UDR was frequently hostile, often brutal and sometimes fatal. To the British Army they were a dangerous species of ally and a classic militia regiment which was part of a long tradition of the use of such forces by the British Empire. It was viewed as a safety valve for the tempers of loyalist extremism and it also served as the main source of training, weaponry and intelligence files for loyalists throughout the conflict. *UDR Declassified* is an evidence-based exposé of the UDR through the declassified files of Number 10, the MoD and the NIO. The denial of access to history is a part of a continuum of British state efforts to obscure its colonial past. This book is a testimony to the value of defying such efforts and uncovering the truths behind our traumatic past.

**Investigation of Whitewater Development Corporation and Related Matters: The inquiry into whether improper conduct occurred regarding the way in which White House Officials handled documents in the office of White House Deputy Counsel Vincent W. Foster, Jr., following his death** United States. Congress. Senate. Special Committee to Investigate Whitewater Development Corporation and Related Matters, 1997 [The Hal Roach Comedy Shorts of Thelma Todd, ZaSu Pitts and Patsy Kelly](#) James L. Neibaur, 2018-12-28 Hoping to follow his Laurel and Hardy success with a female comedy team producer Hal Roach paired Thelma Todd with ZaSu Pitts in a 1931 series of two-reel shorts. Pitts left the studio for other pursuits, was replaced by Patsy Kelly, and the series continued to be successful. Todd died under mysterious circumstances in 1935 and Kelly tried to carry on first with Pert Kelton then with Lyda Roberti. When Roberti died in 1938 the series ended. This book takes the first film by film, looks at each of the comedies these women made, how they responded to different directors, and how production adapted to changes along the way. Credits, production information, period reviews, and critical assessments are included. **Case of a Lifetime** Abbe Smith, 2024-05-01 A captivating, emotionally intense investigation of the complicated relationship between truth and the justice system. **Hollywood's Others** Katherine Fusco,2025-09-02 We tend to think about movie stars as either glamorous or relatable But in the 1920s and 1930s when the Hollywood star system was taking shape a number of unusual stars appeared on the silver screen representing groups from which the American mainstream typically sought to avert its eyes What did it mean for a white entertainment columnist to empathize with an ambiguously gendered Black child star Or for boys to idolize Lon Chaney famous for portraying characters with disabilities Hollywood s Others explores the affective ties between white non disabled audiences and the fascinatingly different stars with whom they identified but only up to a point Katherine Fusco argues that stardom in this era at once offered ways for viewers to connect across group boundaries while also policing the limits of empathy Examining fan magazines alongside film performances she traces the intense audience attachment to atypical celebrities and the ways the film industry sought to manage it Fusco considers Shirley Temple s career in light of child labor laws and changing notions of childhood shows how white viewers responded to Black music in depictions of the antebellum South and analyzes the gender politics of conspiracy theories around celebrity suicides Shedding light on marginalized stardoms and the anxieties they provoked Hollywood s Others challenges common notions about film s capacity to build empathy
