Patterns Of Negro Segregation:

Patterns of Negro Segregation Charles Spurgeon Johnson, 1948 **Patterns of Negro Segregation** Charles S. Johnson, 2001-01-01 Shortly before World War II the Carnegie Corporation funded a study of African American life the result was Gunnar Myrdal's *An American Dilemma* Most of the research was carried out by sociologists working under Charles Spurgeon Johnson and this is a summary of his team's survey Patterns of Negro Segregation. Charles S. Johnson, ... [Foreword by Shelby M. Harrison. William Fielding Ogburn, Donald Young.]. Charles Spurgeon Johnson, William Fielding Ogburn, Shelby M. Harrison, Donald Young, 1944 **Source Material for Patterns of Negro Segregation** Charles Spurgeon Johnson, 1940* *Backgrounds to Patterns of Negro Segregation* Charles Spurgeon Johnson, 1970 Patterns of Negro Segregation Charles Spurgeon Johnson (sociologue.), 1943 *Dark Journey* Neil R. McMillen, 1990 Remarkable for its relentless truth telling and the depth and thoroughness of its investigation for the freshness of its sources and for the shock power of its findings Even a reader who is not unfamiliar with the sources and literature of the subject can be jolted by its impact C Vann Woodward New York Review of Books *Dark Journey* is a superb piece of scholarship a book that all students of southern and African American history will find valuable and informative David J Garrow Georgia Historical Quarterly **Race, Crime, and Policing in the Jim Crow South** Brandon T. Jett, 2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement's use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their encounters with law enforcement Brandon T Jett's *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement's seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways

in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the relationship between the police and minorities in the United States **Abiding Courage** Gretchen

Lemke-Santangelo,2000-11-09 Between 1940 and 1945 thousands of African Americans migrated from the South to the East Bay Area of northern California in search of the social and economic mobility that was associated with the region's expanding defense industry and its reputation for greater racial tolerance Drawing on fifty oral interviews with migrants as well as on archival and other written records Abiding Courage examines the experiences of the African American women who migrated west and built communities there Gretchen Lemke Santangelo vividly shows how women made the transition from southern domestic and field work to jobs in an industrial wartime economy At the same time they were struggling to keep their families together establishing new households and creating community sustaining networks and institutions While white women shouldered the double burden of wage labor and housework black women faced even greater challenges finding houses and schools locating churches and medical services and contending with racism By focusing on women Lemke Santangelo provides new perspectives on where and how social change takes place and how community is established and maintained **An African American Dilemma** Zoë Burkholder,2021 Presenting a revealing historical perspective on today's charged schooling choices An African American Dilemma illuminates the tensions between school integration and separation that have shaped the long history of black struggles for equal education and civil rights in the North
