**Secrets of the Wealth Game: What They Hoped You'd Never Find Out** Eric L. Stevens J.D., 2014-06-03. From the inception of the industrial revolution into our present nano technology information age, wealth and those who have it continue to proliferate. Ever consider why during our early school years and later in college we are taught how to be capable employees but not business owners and wealthy? Calculated design or just an oversight? Is there a Wealth Game in progress about which you never received the memo? Many coming into large sums of money either through hard work, inheritance or even instant millionaires who've won hundreds of millions with a lottery ticket have been unable to keep their earnings and in the latter's case remain a millionaire. Why not? And would their new millionaire status really mean they were actually wealthy? Why is wealth obtained and sustained by some while obtained and dwindled away by others? Are there Secrets? How do you change from wanting to be rich to desiring to become truly wealthy? Is there a difference? What's the Secret? How do you get wealth? How do you hold on to more of what you earn on your way to wealth? What's the Secret? **Secrets Of The Wealth Game: What They Hoped You'd Never Find Out** takes you behind the scenes and into the world of wealth and reveals the secrets of how the Founding Financial Fathers in this country obtained and have sustained their wealth through multiple generations. **Secrets Of The Wealth Game** makes their secrets your secrets, reveals their strategies and the financial tools that will enable you to track their footprints to financial success, wealth protection and the ability to sustain both.
