Gundry, 2009-08-01 The 4th edition of this widely used guide to reading and interpreting the New Testament This revised edition of Gundry s survey of the New Testament goes beyond providing background information and technical introductory material and leads students to read the New Testament itself Whenever possible general questions of introduction and background are tied to assigned readings covering the entire New Testament In addition comments on these readings help students with interpretation and follow the flow of thought from one passage to another Features include New design with four color format and more photos and improved maps Chapters begin with list of study goals and end with summary overview and of people places terms to remember and review questions Outlines section headings subheadings and bolded items make it easy to follow structure of discussion Phonetic pronunciations for unfamiliar names and terms Breakouts with illustrative quotes from ancient nonbiblical literature Discussion questions on the contemporary relevance of the New Testament Updated bibliographies Conservative evangelical theological perspective also notes other positions and literature

Fruits of the Spirit Crosby, Michael H., 2015-11-15 *A Theology of Paul the Apostle, Part Two* G. Roger Greene, 2023-07-12 The legacy of Paul looms large in all Christian theology The New Testament and the Christian world itself would be a very different place apart from the impact of the apostle Paul The work *Theology of Paul the Apostle* is presented in two parts Attention is given in each volume to the foreground matrix of the place of Paul within historical Christian

interpretation Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ Part Two Cross and Atonement addresses the more specific and particular issues within Paul's gospel that have been a storm center within theological discussion The present writer finds Paul to be one who embraces the gospel of God in Christ the resurrection being the turning point of the ages that calls for a cruciform imperative of Christian identity and living in an eschatological age of fulfillment Paul's theology and cross imperative has continuing relevance within the very different matrix of a postmodern world **The Cosmic Drama of**

Salvation Sang Meyng Lee, 2010 Revision of author's thesis Ph D Claremont Graduate University 2008 under title The cosmic drama of salvation the law and Christian Paul's undisputed writings from anthropological and cosmological perspectives

Paul And The Religious Experience Of Reconciliation Gilbert I. Bond, 2005 *Reading Paul* Michael J.

Gorman, 2008-01-01 Explores the central themes of Paul's gospel Gorman places special emphasis on the theopolitical character of Paul's gospel and on its themes of cross and resurrection multiculturalism in the church and peacemaking and nonviolence as the way of Christ Gorman also offers a distinctive interpretation of justification by faith as participation in Christ From publisher description [The Letters of Paul, Fifth Edition](#) Calvin J. Roetzel, 2009-10-30 Calvin Roetzel's The

Letters of Paul has long been established as the most effective textbook for introducing Paul and Paul's writings to undergraduate and seminary students This new edition updates the text to include new scholarship developed after the fourth edition's release in 1998 The result is a wonderful basic textbook on Paul's letters *Paul* Jerome

Murphy-O'Connor, 2004-03-18 For someone who has exercised such a profound influence on Christian theology Paul remains a shadowy figure behind the barrier of his complicated and difficult biblical letters Debates about his meaning have deflected attention from his personality yet his personality is an important key to understanding his theological ideas This book redresses the balance Jerome Murphy O'Connor's disciplined imagination nourished by a lifetime of research shapes numerous textual historical and archaeological details into a colourful and enjoyable story of which Paul is the flawed but undefeated hero This chronological narrative offers new insights into Paul's intellectual emotional and religious development and puts his travels mission and theological ideas into a plausible biographical context As he changes from an assimilated Jewish teenager in Tarsus to a competitive Pharisee in Jerusalem and then to a driven missionary of Christ the sometimes contradictory components of Paul's complex personality emerge from the way he interacts with people and problems His theology was forged in dialogue and becomes more intelligible as our appreciation of his person deepens In Jerome Murphy O'Connor's engaging biography the Apostle comes to life as a complex intensely human individual **Introducing the New**

Testament Henry Wansbrough, 2015-01-29 Introducing the New Testament presents the complex and often challenging texts and history of the New Testament in a clear and informative manner The book begins with a section that gives readers a clear idea of how to use it most effectively for study and personal research followed by a chapter which outlines the various

manuscript traditions and processes of transmission that resulted in the biblical texts we have before us today With this groundwork complete readers are then introduced to all the texts of the New Testament and to major issues and debates such as the Historical Jesus the Synoptic Problem and current debates surrounding inspiration how these texts can be seen in both a historical context and in the context of religious faith The book features maps chapter summaries sample essay questions chapter bibliographies and reading lists and an annotated glossary of key terms

Cruciformity Michael J. Gorman, 2021-07-27 When it was first published in 2001 *Cruciformity* broke new ground with a vision of Pauline spirituality that illuminated what it meant to be a person or community in Christ Beginning with Paul's express desire to know nothing but Christ crucified Gorman showed how true spirituality is telling the story in both life and words of God's self-revelation in Jesus so that we might practice cruciformity the impossible possibility of conformity to the crucified Christ Two decades later Gorman's seminal work is still a powerful model for combining biblical studies and theological reflection to make Paul's letters more immediately relevant to contemporary Christian life This twentieth anniversary edition includes a new foreword by Nijay Gupta a next generation Pauline scholar heavily influenced by Gorman as well as an afterword by the author in which he reflects on the legacy of *Cruciformity* in the church and the academy including his own subsequent work in Pauline theology

Paul, Apostle to the Nations Walter F. Taylor, 2012 Who was Paul what did he do what did he write Walter F. Taylor sets out to bring together a wealth of contemporary perspectives in a clear and accessible synthesis bringing to bear on his subject the best of recent social scientific and cultural anthropological thinking on Paul An appendix presents a clear summary of issues related to Paul's thought on gender and sexuality

Opening Paul's Letters Patrick Gray, 2012-03-01 It is sometimes easy to forget that the books of the Bible are not really books at all but individual documents composed in a wide array of literary genres This clear concise and accessible text on the Pauline Letters orients beginning students to the genre in which Paul writes The book compares and contrasts Paul's letters with ancient and modern letters revealing the distinctive conventions forms and purposes of Paul's Epistles It focuses on the literary genre of the letter in ancient Greece and Rome providing an overview of subjects strategies and concerns of immediate relevance for readers who wish to understand Paul in his ancient context Discussion questions and sidebars are included

Paul's Designations of God in Romans Wing Yi Au, 2023-08-03 Wing Yi Au investigates Paul's ways of characterizing God in *Romans* and finds that Paul's divine designations in the letter trace God's essential salvific activities Meanwhile special emphasis is put on the inclusion of Gentiles in God's plan of salvation
