Collection of texts partly published previously all rev and updated      **Pierced for Our Transgressions** Steve Jeffery, Michael Ovey, Andrew Sach, 2007-10-23 The belief that Jesus died for us suffering the wrath of his own Father in our place has been the wellspring of hope for countless Christians through the ages However with an increasing number of theologians church leaders and even popular Christian books and magazines questioning this doctrine which naysayers have described as a form of cosmic child abuse a fresh articulation and affirmation of penal substitution is needed And Jeffery Ovey and Sach have responded here with clear exposition and analysis They make the case not only that the doctrine is clearly taught in Scripture but that it has an impeccable pedigree and a central place in Christian theology and that its neglect has serious consequences The authors also systematically analyze over twenty specific objections that have been brought against penal substitution and charitably but firmly offer a defining declaration of the doctrine of the cross for any concerned reader      *Paul and Money* Verlyn Verbrugge, Keith R. Krell, 2015-06-23 The apostle Paul one of the most prominent figures in the early Jesus movement had a lot to say about money His letters deal with real people as they lived their Christian lives in the Greco Roman world He finds it necessary to address those who are rich in this present world 1 Tim 6 17 But he also has to address those do not want to work for whatever reason and are idle and disruptive 2 Thess 3 6 Moreover whereas most churches today have a certain socio economic homogeneity some of Paul s churches had a combination of upper class wealthy people and lower class slaves worshiping side by side and it inevitably created friction esp 1 Cor 11 17 34 During the past twenty years a significant amount of research has been done on class consciousness in the Greco Roman world and on the significance of Paul s fund raising venture for the poor among the Lord s people in Jerusalem the collection for his ministry Relying on the surprising results of current Pauline scholarship and a careful exegesis of a variety of New Testament texts this book offers a thorough investigation of the apostle Paul s sayings and dealings with money      When Wright is Wrong Phillip D. R. Griffiths, 2019-01-14 In today s world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel
