Paul Kruger His Life And Times

Manfred Nathan

A decorative red circular graphic element, resembling a stylized arrow or a partial circle, is positioned to the right of the author's name.

Paul Kruger His Life And Times:

Paul Kruger John Fisher,1975 **Paul Kruger, His Life and Times** Manfred Nathan,1941 **The Memoirs of Paul Kruger** Paul Kruger,1902 The Memoirs of Paul Kruger Paul Kruger,2021-04-04 Paul Kruger was the dominating figure of Boer and therefore South African history of the nineteenth century His life spanned the time of the Great Trek the European settlement of the interior right up to the end of the Second Boer War and the shadow of his political career stretched deep into the twentieth century His memoirs dictated while in exile shortly after the end of the Second Boer War provide a remarkable and unique insight into this period of history from a perspective which no other work has ever delivered This fast moving account starts with a short biographical account of Kruger s early years in the British ruled Cape Colony his participation in the Great Trek and pioneer life in the interior The narration then swiftly moves on to describe the founding of the Boer republics of the Orange Free State and the South African Republic Transvaal Intertwined in this dramatic story is Kruger s own activities and his entry into public life first as a local commander a field cornet then as elected commandant general of the armed forces Kruger throws light on the Boer civil war of 1861 1864 the ongoing conflict with the surrounding African tribes and the events leading up to the 1877 British annexation of the Transvaal Kruger s role in the resulting Boer insurrection which resulted in the First Boer War and the British Empire s first defeat since the American Revolution is dealt with in full Kruger s election first as vice president of the Transvaal and thereafter as president a process to be repeated four times firmly established his dominating presence in South African history Finally he describes in detail the events which led to the outbreak of the Second Boer War and his exile to Europe This new edition contains the full text and original footnotes from the first German and English language editions and a number of new footnotes explaining events terms and personalities to the present day reader It also contains a new epilogue which briefly describes Kruger s life and death in exile It also contains all eleven appendices from the original edition **Colonialism in Africa 1870-1960: Volume 5, A Bibliographic Guide to Colonialism in Sub-Saharan Africa** L. H. Gann,Peter Duignan,1969 A comprehensive study of recent African history examining the political social and economic effects of colonialism **Myths and Nationhood** George Schopflin,Geoffrey Hosking,2013-09-13 Myths are central to the way we live and how we define ourselves In this pioneering book a group of specialists among them Anthony Smith Norman Davies Geoffrey Hosking and George Schopflin look at the general and theoretical nature of myth on a universal basis and examine the specific myths of various nations With nationhood and ethnicity at the centre of political attention the book is timely in illuminating the deeper underlying issues of nationalism that cause so much conflict throughout the world President Paul Kruger Johannes Meintjes,1974

Dictionary of African Historical Biography Mark R. Lipschutz,R. Kent Rasmussen,1986 The acclaimed Dictionary of African Historical Biography the only single volume biographical work on Sub Saharan African history has been expanded and updated to include entries on over eight hundred people important in Sub Saharan African history up to 1980 The

Anglo-Boer War (1899-1902) André Wessels, 2010-09-01 Based on many years of research with regard to the Anglo Boer War this book is essential reading for anyone who would like to know more about the most devastating conflict that has thus far been waged between white people in Southern Africa. However, with due course, this war also involved more and more black, brown, and to some extent Asian people.

The Boer War Fred R. van Hartesveldt, 2000-05-30 One hundred years after the Boer War, the British continue to debate what went wrong while the war has significant nationalist overtones in today's South Africa. This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War, now sometimes called the South African War. The bibliography focuses on the military history but also includes some historical accounts of the political debate. The first part of the book provides an extended historiographical essay while part two provides an annotated bibliography of the titles discussed in part one. Historiographical questions concerning the Boer War are numerous. Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force while other historians debate the question of British military leadership and organization. Questions also revolve around British imperialism and the scramble for Africa. Frequently called the second war for freedom by South African authors, the war was the reason that South Africa, unlike other British colonies, gained independence without majority rule. This makes the war of continuing relevance to the turmoil in South Africa, the collapse of the minority government, and the continuing problems of the current government. This book will provide a useful tool for those wishing to research the war.

Biography Catalogue of the Library of the Royal Commonwealth Society Royal Commonwealth Society. Library, Donald Herbert Simpson, 1961

Encyclopedia of African History 3-Volume Set KEVIN SHILLINGTON., 2005

Nationalism John Hutchinson, Anthony D. Smith, 2000 A comprehensive collection of articles on the subject of nationalism. It covers concepts and definitions, forms of nationalism worldwide, and nationalism and culture and feminism and politics.

Gladstone and Kruger Deryck Schreuder, 2018-01-17 Originally published in 1969, Gladstone and Kruger examines British reactions to the Afrikaner nationalism. Beginning with the first Anglo-Boer war of 1880-81, it examines the formulation of policy after the British defeat at Majuba Hill. At that moment, the dangers of a pan-Afrikaner revolt in the Transvaal, Orange Free State, and Cape Province seemed imminent, and the British presence in southern Africa seemed very much at risk. Schreuder shows how the devolution of metropolitan Imperial power on to local ministries conflicted with the Whig concern for the preservation of British dominance and prestige abroad and provides a commentary on the Liberal response to the Irish problem.

The Boer War 1899-1902 Gregory Fremont-Barnes, 2014-06-06 Victorious in its previous campaigns in Africa against native armies, Britain now confronted an altogether different foe. The Boers proved to be formidable opponents, masterfully compensating for inferior numbers with grim determination, resourcefulness, and strong religious faith. Their mobility, expert use of cover, and knowledge of the terrain in which they employed powerful long-range magazine rifles gave them initial advantages. By contrast, the British suffered from inadequate transport, insufficient mounted

troops and poor intelligence Despite marshalling the immense resources of their empire the British were to be severely tested in a war which one general described as the graveyard of many a soldier s reputation *The Cambridge History of the British Empire* Eric Anderson Walker,1963 **The White Africans** Gerald L'Ange,2012-04-17 The negotiated transfer of power in apartheid South Africa was the last act in the dismantling of white supremacy on the African continent While opening a new era for the whites in Africa it closed an earlier one that contains some of the most colourful episodes in world history In *The White Africans* South African journalist and writer Gerald L Ange gives a warts and all account of the European experience in Africa from the explorations of the 15th century Portuguese mariners to the presidential inauguration of Nelson Mandela in 1994 The story is traced through the Europeans exploration and settlement through their slavery and economic exploitation their conquest and colonisation through decolonisation and the liberation struggles in Kenya Algeria the Portuguese territories Rhodesia and Namibia to the negotiation of democracy in South Africa Avoiding both past falsities and recent distortions the book seeks the truth of the European experience examines the present situation of the white Africans and looks at what might lie ahead for them *Diamonds, Gold, and War (Volume 4 of 4) (EasyRead Super Large 24pt Edition)* , *Diamonds, Gold, and War (Volume 3 of 3) (EasyRead Super Large 20pt Edition)* , **Bulls, Bears, Boers and Brits** Ian Phimister,2025-01-07 In the 1890s financial speculation and market manipulation were prominent features of the Southern African gold mining industry Extravagantly capitalised starved of working capital and poorly managed many mines could not be made to pay Investors suffered more at the hands of Randlords than they did from those of the Boer Government in Pretoria By failing to take any of this into serious consideration accounts that focus on mining company complaints as the root cause of the Jameson Raid and the outbreak of war in 1899 are missing a key dimension of the past

Paul Kruger His Life And Times Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be much more evident than ever. They have the ability to inspire, provoke, and ignite change.
