## **Paul The Missionary:**

**Paul as Missionary** Trevor J. Burke, Brian S. Rosner, 2011-03-17 Paul as Missionary Identity Activity Theology and Practice takes the view that before anything else Paul must first and foremost be identified as a missionary Using the entire Pauline corpus the contributors to this volume assess what Paul's correspondence can tell us about how he perceived his role and identity The work comprises four parts in section one Paul's identity as priest eschatological herald and missionary pastor are explored while in part two topics such as the apostle's activity among pagans his suffering and Paul's missionary message to the church at Rome are considered Section three comprises essays on the Spirit as the governing dynamic the glory of God as the apostles missionary goal and the importance of Paul's Christology in shaping his mission to the Gentiles Finally part four addresses Paul's missionary praxis including his support of his missionary enterprise *Paul the Missionary* Eckhard J. Schnabel, 2010-01-28 Drawing on his monumental scholarly study Early Christian Mission Volume 2 Eckhard J Schnabel's gives us an overview of Paul's missionary practices strategies and methods and then weighs contemporary evangelical missiology and practice in light of Paul **Paul's Missionary Methods** Robert L. Plummer, John Mark Terry, 2012-11-21 Robert L Plummer and John Mark Terry edit this collection of entry points into the missionary methods of the Apostle Paul Conducting a major reappraisal of Roland Allen's Missionary Methods St Paul's or Ours Michael Bird Eckhard Schnabel and others reconsider the relevance of Paul's missionary activities for the church today **Paul the Missionary** William Mackergo Taylor, 1881 **An Illustrated Guide to the Apostle Paul** Alan S. Bandy, 2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome An Illustrated Guide to the Apostle Paul brings his remarkable story to life Drawing from the book of Acts Paul's many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource Paul The Apostle Robert E. Picirilli, 1986-10-08 Except for the Lord Himself no single figure has done more for the Christian faith If you want to understand Christianity you need to understand Paul But with so many books on the apostle where do you start Paul the Apostle is the ideal choice if you want a solid understanding of Paul's life ministry and writings without getting weighed down with minutia Author Robert E Picirilli who taught college courses on Paul for over twenty five years found that most books on the apostle were either too technical or too basic so he wrote a book that strikes a happy medium It offers A profile of Paul in his historical and cultural context Outlines and explanations of his

missionary journeys Introductions and brief analyses of each of his epistles Useful for individual study or as a textbook as it is in many universities today Paul the Apostle is a great one stop study of the man who wrote half the New Testament spread the gospel to the heart of the known world and gave his life for the Kingdom **Paul, the Missionary** Iva Jewel Tucker,1976 Discusses the conversion and ministry of Paul the missionary **Paul the Missionary** Eckhard J. Schnabel,2008-10-13 Drawing on his monumental scholarly study Early Christian Mission Volume 2 Schnabel gives us an overview of Paul s missionary practices strategies and methods and then weighs contemporary evangelical missiology and practice in light of Paul This is a manageable study for students of Paul as well as students and practitioners of Christian mission today Missionary Methods: St. Paul's or Ours? Roland Allen,2016-10-12 At this critical point in the history of World Missions it is imperative for us to take a step back from business as usual in our work around the globe and reevaluate the strategies and methods we are implementing What is working What isn t If we re honest there may be more not working than we would care to admit In this book written in the early 1900s Roland Allen invites us to look at the missionary work of the Apostle Paul with fresh eyes and an igniting perspective that is strikingly relevant to the greatest challenges we are facing today in modern missions He offers a well of insight from the methodology of Paul that will focus and unite us as we draw nearer than ever before to our goal of fulfilling the Great Commission and reaching the world with the Gospel of Jesus Christ **Paul** John G. Butler,1995 The Bible Biography Series is a series of twenty books written about Bible characters by John G Butler These books are expository studies of the Scripture They are extensively organized and outlined filled with Gospel lessons and practical applications of Scripture to everyday life written in easy to understand laymen s language and theologically and morally they take a strong old fashioned fundamentalist position which is increasingly unpopular but greatly needed in our day These books are very helpful to preachers in providing material for sermons and lessons on these Bible characters and texts They will also be found to provide much instruction for the individual in his or her personal Bible study and because of their organized structure they are very adaptable to Sunday School classes and Bible study groups Introduction **Paul as Missionary** Trevor J. Burke,Brian S. Rosner,2011 Paul as Missionary Identity Activity Theology and Practice takes the view that before anything else Paul must first and foremost be identified as a missionary Using the entire Pauline corpus the contributors to this volume assess what Paul s correspondence can tell us about how he perceived his role and identity The work comprises four parts in section one Paul s identity as priest eschatological herald and missionary pastor are explored while in part two topics such as the apostle s activity among pagans his suffering and Paul s missionary message to the church at Rome are considered Section three comprises essays on the Spirit as the governing dynamic the glory of God as the apostle s missionary goal and the importance of Paul s Christology in shaping his mission to the Gentiles Finally part four addresses Paul s missionary praxis including his support of his missionary enterprise **Paul, Missionary of Jesus** Paul Barnett,2008-01-14 Looking at whether Paul was converted or called and if the new perspectives on Paul are

true to evidence the author argues that Paul's own writings are supplemented by Luke's contemporaneously written narrative of the acts of the Apostles      **Paul, the Missionary** William Mackergo Taylor, 1898      Paul, Missionary Theologian Robert L. Reymond, 2000 A compelling presentation of Paul's theology enriched by insights from the field of Systematic theology It is BIOGRAPHICAL THEOLOGICAL GEOGRAPHICAL MISSIOLOGICAL HISTORICAL HERMENEUTICAL INSPIRATIONAL      *Narratives of St. Paul's Missionary Journeys and Rome* Del Mueller, 2012-11-20

Have you ever wondered what it would be like to accompany St Paul as he declared the Good News of salvation to thousands who lived in the Mediterranean region Imagine your satisfaction when the council in Jerusalem mandates limited obligation to the Mosaic Law and your frustration when the message of this freedom results in defamation and threats of death Rejoice with Paul as the Roman Consul Gallio declares he is free to teach Jesus as Messiah Follow Paul into the Antonia Fortress when assaulted by enraged Jews Listen to his defense before Felix and Festus Endure a life threatening shipwreck and imprisonment in Rome Finally stand by him as he approaches his last days as prisoner under Nero and his death a victorious transition from a sainted physical life to a blessed and eternal spiritual life Del Mueller takes readers into the thoughts and hearts of the key witnesses to Paul's missionary journeys He writes a first person account that provides readers with a unique historical perspective on the stories as they really could have happened *Narratives of St Paul's Missionary Journeys and Rome* will personalize the post resurrection events that altered the world and show readers the humanness of those who were changed because of Paul's message      **Paul the Missionary** L. J. Lietaert Peerbolte, 2003 Ever since Adolf Harnack Paul's ministry is interpreted as that of a Jewish missionary who happened to preach a new gospel But what if Harnack was wrong and there were no Jewish missionaries How should we then account for Paul's actions The first chapter of this book describes the Jewish context in which Paul lived and the second chapter deals with the pagan context The question asked is was there any such thing as proselytising mission before Christianity In chapter three the pre pauline Christ movement is treated These three chapters describe the stage that Paul came to act upon The fourth and fifth chapter discuss Paul himself first the great transformation he experienced is dealt with ch 4 next Paul's view of his task in regard to the gentiles is discussed ch 5 The final chapter gives an analysis of Paul's missionary strategy and its theological focus The conclusion is that Paul did not bring a new message within an existing mission Harnack but that the unique character of his ministry itself developed the concept of a proselytising mission      **The Life of Paul for Today** Lyle D. Vander Broek, 2010-03-02 This book presents the life and work of the New Testament's premier missionary the apostle Paul It surveys his pre Christian life his conversion and call and his missionary activities noting the pivotal events that marked his relationship with the congregations he founded and with the Jerusalem church Vander Broek focuses on Paul's life and labors but also provides important and relevant discussions of how the life of Paul speaks to Christian faith today This book will be of much interest to contemporary church groups and individuals who are interested in how the church's most important early missionary continues to impact Christian lives

Questions for discussion are included      **In the Footsteps of Paul** Ken Duncan, 2009-03-16 Follow a trailblazer's path and see for yourself all the places that Paul visited Paul's missionary journeys are much more than mere dotted lines on rough maps at the back of your Bible His travels changed the world and when you too follow In the Footsteps of Paul you'll experience those amazing journeys more powerfully than ever The lens of renowned photographer Ken Duncan traces everywhere Paul is known to have traveled Ken's stunning photos combined with Scripture and writings from noted authors creates an exciting platform for experiencing the life and times of one of the apostles who introduced Jesus to the Roman world and beyond      **Missionary Methods** Roland Allen, 2017-02-15 Newly updated revised edition A complete missionary manual for evangelical missionaries Missionary Methods is an enduring classic a how to that every single missionary should read as well as any lay person who desires to be a useful part of the body of Christ The author Roland Allen takes a thorough look at the practice and principle of arguably the most successful church planter in history the biblical apostle Paul Every missionary difficulty and success can be found in Acts and the apostle Paul's letters which cover such topics as training discipleship finances and sustainability The methods are built on the foundation of a relationship with God salvation through Christ and the indwelling and leading of the Holy Spirit      **Paul** Orello Cone, 1898
