**Paul Tillich in Conversation** Paul Tillich, James B. Ashbrook, 1988 For those who know little about Professor Paul Tillich this book will introduce them to both his ideas and the kind of person he was For those who are already familiar with him and his work this book will remind them of what he was like and the way he thought In either case this book is a liberal education in itself as it weaves together the warmth of his person with the range of his insights **A-Z Guide to Modern Social and Political Theorists** Professor Stuart Sim, Noel Parker, 2014-06-03 The A Z Guide to Modern Social and Political Theories is a companion volume to the already published A Z Guide to Modern Literary and Cultural Theorists It ranges widely through the social sciences and related areas to identify thinkers who have had a major impact on the development of modern social and political theory and given clear accessible summaries of their work While the accent is on the later twentieth century several up and coming theorists are included to ensure a contemporary edge to the volume classic names in the field from the earlier twentieth century are not neglected and the collection also delves back into the nineteenth century for such founding figures of the social sciences as Marx and Comte The volume is therefore both up to date and mindful of the sources of modern debates **Paul Tillich and His System of Paradoxical Correlation** Charles Amarkwei, 2020-05-05 This book shows the paradoxical mode by which Christians keep their faith in the Christian message as they relate with science It reveals how Paul Tillich's method of correlation helps us to understand how Christians interact with science without necessarily conflicting separating and dialoguing and synthesizing with each other It rules out natural theology but provides a non eclectic theology of nature that frees Christians to be involved in science meaningfully and without undermining their faith **Paul Tillich and Psychology** Terry D. Cooper, 2006 Paul Tillich more than any other theologian of the twentieth century maintained an energetic dialogue with psychology and especially psychotherapy This book explores what Tillich's theology has to offer psychologists and others working in the field of mental health spiritual development and pastoral counseling Tillich's interaction with Carl Rogers Erich Fromm Rollo May and other famous psychologists became an important part of his thinking Tillich frequently pushed psychologists to see the underlying philosophical assumptions of their work This investigation of the underpinnings of psychotherapy then encouraged psychotherapists to become more aware of the ultimate questions about meaning purpose and ethics that informed their work Perhaps the greatest contribution this book offers is a careful narrative and analysis of the meetings of the New York Psychology Group which involved such figures as Tillich Fromm May Rogers Seward Hiltner Ruth Benedict and David Roberts to name just a few This important group which met from 1941 to 1945 dealt with issues that are very much with us today such as whether faith can be psychologically explained the meaning of transcendence the relationship between psychotherapy and ethics the appropriateness of self love and whether human love is parallel with Divine love **Paperbound Books in Print**, 1992 **Psychology and Selfhood in the Segregated South** Anne C. Rose, 2009-06-15 In the American South at the turn of the twentieth century the legal

segregation of the races and psychological sciences focused on selfhood emerged simultaneously The two developments presented conflicting views of human nature American psychiatry and psychology were optimistic about personality growth guided by the new mental sciences Segregation in contrast placed racial traits said to be natural and fixed at the forefront of identity In a society built on racial differences raising questions about human potential as psychology did was unsettling As Anne Rose lays out with sophistication and nuance the introduction of psychological thinking into the Jim Crow South produced neither a clear victory for racial equality nor a single minded defense of traditional ways Instead professionals of both races treated the mind set of segregation as a hazardous subject Psychology and Selfhood in the Segregated South examines the tensions stirred by mental science and restrained by southern custom Rose highlights the role of southern black intellectuals who embraced psychological theories as an instrument of reform their white counterparts who proved wary of examining the mind and northerners eager to change the South by means of science She argues that although psychology and psychiatry took root as academic disciplines all these practitioners were reluctant to turn the sciences of the mind to the subject of race relations

**Subject Guide to Books in Print** ,2001 *Books in Print* ,1991 Paperbound Books in Print 1995 Reed Reference Publishing,Reference Reed,1995-12 *Register, Bibliographie und Textgeschichte* Paul Tillich,1959 Dark Religion Vladislav Šolc ,George J. Didier,2018-12-01 Jungian analysts Vlado Solc and George J Didier set out to explore the psychological dynamics and causes of religious fundamentalism and fanaticism The book offers an in depth psychological analysis of what happens when a person becomes possessed by the unconscious energies of the Self Dark Religion also reveals that spirituality is an inherent dimension of human life and one of its most essential needs It only becomes dark when it denies ignores or separates itself from its vital roots The authors coin the term dark religion to describe all forms of fanatical radical and extreme religions Their study shows how dark religion leads to profound conflicts on both the personal and cultural level including terrorism and wars surveys the vast contemporary cultural and religious landscapes All the while discovering the emergent forms of spiritual praxis in light of postmodernism and the rise of fundamentalism in the new millennium

**American Book Publishing Record** ,2006 *Paul Tillich in Conversation* Paul Tillich,James B.
